Maine Trout Fishing Guide:

Wide and Deep Randy Spencer, 2014-04-01 A collection of stories from one of Maine's master fishing guides. There is little about the remote town Grand Lake Stream in eastern Maine and its surrounding lakes that Randy Spencer doesn't know like the back of his hand. Spencer, a Master Maine Guide, has learned from the best and has enough experience as a hunting and fishing guide to fill several lifetimes. Wide and Deep transports readers to remote backwoods and crystal clear lakes. At its most remote, rural Maine is truly breathtaking in its natural beauty, and Spencer is unrivaled in his ability to capture like no other the experiences of fishing and hunting in some of the most hidden and undisturbed areas in the world. The relationship between a sport and his guide is an ongoing conversation, one that can last hours, days, and even years. The company you offer is just as valued as the company you keep. Whether they are stories of joy or of pain, there is nothing like listening to Randy Spencer. Wide and Deep perfectly captures the moments on the water that people wait their entire lives for and spend the rest of their lives remembering. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

James Churchward,2015-06-12 Excerpt from A Big Game and Fishing Guide to Northeastern Maine Guide to North Eastern Maine There comes a time to the business man he can no longer stand the strain and heat of city life when in fancy he sees the rippling waves on lakes and streams and hearts the voices of the forest where nature is as wild and primitive as the aboriginal names of her leaf fringed waters To those who are anxiously puzzling their brains where to go to spend a few days hunting or fishing this little book is we trust appropriately dedicated To those who have visited the places it describes no introduction is needed It will remind them of happy days gone by In compiling this work we have striven to supply the hunter and fisherman with all the information necessary to ensure a pleasant and successful trip and we have tried to omit no detail either as regards grounds or sporting outfit The fame of the hunting and fishing in Maine is known to all readers of sporting literature but the grounds are so large and numerous that it becomes simply an impossibility in our limited space to do justice to even a small portion of those reached by the B A alone The State of Maine is a very large territory and with the vast number of lakes ponds and streams all comers can be accommodated without any crowding in fact it is doubtful whether the crack of a rifle is heard or a line wet in one half of the waters of Maine from years end to years end The principal game fish in the Maine waters are salmon land locked salmon or ouananiche speckled or square tailed trout and togue or great lake trout
