Tighten The Screws Vikas Kakwani, 2020-02-25 Both of them are such wonderful individuals I really do not understand why they are getting divorced We have 1 3 billion people but we don t even have a decent football team to qualify for the FIFA World Cup She is so intelligent well qualified and hardworking but why is she not getting promoted There was so much hue and cry after the Nirbhaya case followed by tough anti rape laws and strictures but I don t think there has been any impact Why is it that well thought out plans of capable individuals institutions and organisations fail to take off Why is it that well intended ideas with clear benefits find no takers Why do we find it challenging to follow laws knowing well the dire consequences of not doing so 80% of the problems in electrical circuits are due to loose connections All you need to do is to Tighten the Screws Is it possible that most challenging personal and global issues can also be solved by a bit of tightening of the screws Maybe Maybe not No harm in trying though Eh
