The Job Doesn't Exist You're Hired Robert J. Glogowski, 2008-10-31 What happens when someone accepts a job position according to an interview and the job description but it turns out not to be what the company advertised? What if your new supervisor instructed that the work he assigned was to be done only according to his methods which violate Occupational Safety and Health Standards? What would you do if the supervisor harasses you for using safety gear? What if your supervisor gave other employees your paycheck stub for their review? Defamation and Gossip in the Workplace? Bad Attitude in the Workplace? Deprivation of Character? Wrongful Termination? Discrimination? Should violations against employees like these be pursued?
