Flammang,1992 This book provides a wealth of detailed information that collectors investors and restorers of imported cars will not find in any other book This massive volume spans the marques of imported vehicles The list includes such familiar names as Alfa Romeo Aston Martin Bentley Citroen Jaguar Lamborghini Porsche Rolls Royce Saab and Volkswagon Also in these pages you ll find details on such lesser known yet no less intriguing marques as Abarth DAF Frazer Nash Humber Iso Nardi Panhard Peerless Sabra and Skoda The book also highlights model changes and corporate histories and provides value information on the most popular models of imported cars **Standard Catalog of Imported Cars 1946-2002** Mike Covello,2001-10-01 This is the only book that completely lists accurate technical data for all cars imported into the U S market from 1946 2000 With many imports approaching the antique status this book will be a big seller across all generations of car enthusiasts From the grandiose European carriages of the late Forties to the hot little Asian imports of the Nineties every car to grace American roadways from across the Atlantic and Pacific is carefully referenced in this book Foreign car devotees will appreciate the attention given to capturing precise data on Appearance and Equipment Vehicle I D Numbers Specification Charts Engine Data Chassis Technical Data Options and Historical Information Collectors restorers and car buffs will love this key book from noted automotive authors James Flammang and Mike Covello Mythbreaker Stephen Blackmoore,2014-12-02 Louie Fitz Fitzsimmons is getting out of the drugs business It was never what you might call a career anyway he s got problems strange violent vivid hallucinations that have plagued him since he was a kid and what with one thing and another this is where he s ended up So he s been cooking Hollywood gangster Blake Kaplan s books and putting a little aside for a rainy day fifteen million give or take and he figures it s time to cut and run Until a vision hits at the worst possible moment and now he s in hospital and looking at a stretch in County on a possession charge Then a Lithuanian goddess of the hunt murders her way into the hospital and Fitz ends up on the run from a pissed off angel and there s new gods gods of business and the internet hunting him down and what started as a bad day gets a whole lot worse Because Fitz is a Chronicler a prophet a modern Moses or Hesiod with the power to make or break the gods themselves *The Masada Scroll* Paul Block,Robert Vaughan,2007-11-27 In the great tradition of novels like The Robe by Lloyd C Douglas and more recently Christ the Lord by Anne Rice and Stone Tables by Orson Scott Card The Masada Scroll is bold and reverent with deep and important meaning for today s world At the heart of this timely novel is the discovery of a previously unknown gospel that predates the four gospels of the New Testament The scroll introduces a mysterious symbol that combines the Star of David the Cross of Christianity and the Crescent and Star of Islam None of these

symbols existed at the time the Gospel was written adding to the mystery that Michael Flannery an Irish priest must unravel Flannery discovers that the symbol represents the Trevia Dei or Three Paths to God At the heart of Jesus message is the unity of the paths that lead to God The true meaning of Trevia Dei has become perverted over the centuries turning the message of unity into a single path to salvation But there are those who do not want the message of this wonderful book of light and love brought to our troubled world who have chosen to separate rather than unite God s children The Masada Scroll is the story of the new Apostles who struggle to bring the simple message of Jesus back into a world desperate for joy The Masada Scroll is a tale of the timeless quest for spiritual truth and redemption It is a story that will change the way you look at the world and your own heart At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
