Now you try some:

The diagram shows a large square on the left, followed by a plus sign, then another large square, followed by a minus sign, and finally a large square with a small rectangle removed from its top-right corner.

A diagram illustrating the addition of two squares. On the left, there are two separate squares. To their right is a plus sign. Further right is an equals sign. To the right of the equals sign is a single, larger square that represents the sum of the two original squares.

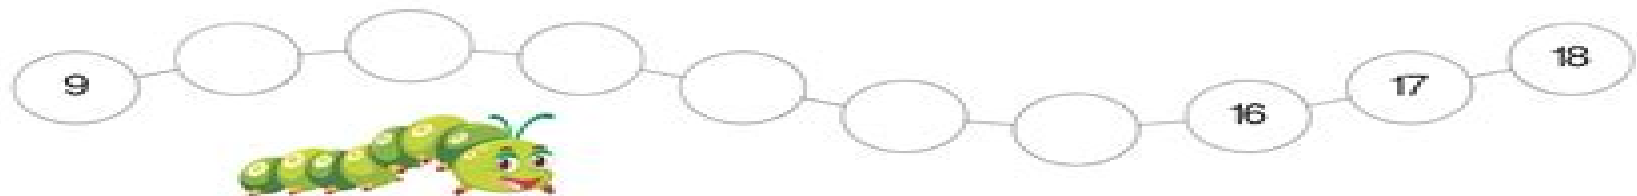

A diagram illustrating the addition of two squares. On the left, there are two separate squares, each with a side length of 1 unit. These are followed by a plus sign (+). To the right of the plus sign is another square, identical to the first two, with a side length of 1 unit. This is followed by an equals sign (=). To the right of the equals sign is a single, larger square with a side length of 2 units, representing the sum of the two original squares.
