

The background of the book cover is a dynamic, high-contrast photograph. It depicts a car battery, likely a lead-acid battery, with a bright, intense yellow and orange spark or flame erupting from its top. The sparks are captured in a long-exposure style, creating a radial pattern of fine, glowing lines that fill much of the frame. The overall color palette is dominated by the warm tones of the fire and the dark, metallic colors of the battery and surrounding environment.
