How to Be a Bad Boy Kent Lamarc,2017-06-06 There are many guys out there suffering with the nice guy syndrome really lots of men And the reason why so many men suffer from this disease which brainwashes them with totally false ideas on women is related to the media falsehoods spread fundamentally by feminists and even bad parenthood Many men actually believe that women will love them more if they re friendly and nice And well while being a total douchebag isn t socially acceptable there s more gold in it than anyone would ever like to make you believe And even though I don t consider myself a douchebag I did have to interview the best ones I ever met to get further information on how to be a bad boy This book is based on a compilation of interviews made to three of the greatest douchebags I ever met All of the interviewed players were dating multiple women at the same time had a fulfilling sex life and were able to pull in super hot women and mostly super models Now none of them looks very impressive or even super handsome and that s exactly what makes them interesting They seem like any regular guy you could meet out there and yet they know things that nobody does Two of them are married and were married at the time of this interview and cheated on their gorgeous wives That s precisely what makes them such interesting characters Their thoughts on women are so unique
