Argumentative Writing in a Second Language Alan R. Hirvela, Diane Belcher, 2021-12-13 Argumentative Writing in a Second Language is a collection on teaching argumentative writing offering multiple vantage points drawn from the contributors own teaching and research experiences The value of learning how to compose argumentative texts cannot be overstated and yet very little attention has been allocated to the equally important topic of how argumentation is or can be taught in the L2 context Thus this volume shifts attention to teachers and argumentative writing instruction especially within increasingly common multimodal and digital literacy settings While doing so it provides a comprehensive wide ranging view

of the L2 argumentative writing landscape within an instructional lens Part I of the volume is topic oriented and focuses on explorations of important issues and perspectives while Part II features several chapters reporting classroom based studies of a variety of instructional approaches that expand our understanding of how argumentative writing can be taught The book will be of value to pre service and in service teachers in varying instructional contexts as well as teacher educators and L2 writing scholars researchers

In the Best Interest of Students Kelly Gallagher,2015 What is in the best interest of our students Is it teaching to the newest standards movement like the Common Core Teaching that prepares students to take a test Or is it something more meaningful and authentic In his new book In the Best Interest of Students Kelly Gallagher notes that there are real strengths in the Common Core standards and there are significant weaknesses as well He takes the long view reminding us that standards come and go but what remains constant is the need to stay true to what we know works in the teaching of reading writing speaking and listening Instead of blindly adhering to the latest standards movement Kelly advocates Dialing up the amount of reading and writing students are doing Balancing rigorous high quality literature and non fiction with high interest student selected titles Giving students much more choice when it comes to reading and writing activities Encouraging readers to deepen their comprehension by moving beyond the four corners of the text Using modeling to enrich students writing skills in the prewriting drafting and revision stages Helping young writers to achieve more authenticity through the blending of genres Resisting the de emphasis of narrative and imaginative reading and writing Providing students with more opportunities to sharpen their listening and speaking skills Planning lessons that move beyond Common Core expectations In this provocative and insightful new book Kelly surveys the teaching landscape since the publication of his highly regarded book Readicide and finds that although some progress has been made more needs to be done Amid the frenzy of trying to teach to a new set of standards Kelly Gallagher is a strong voice of reason reminding us that instruction should be anchored around one guiding question What is in the best interest of our students
