Salvaging Community Michael Touchton, Amanda J. Ashley, 2019-07-15 American communities face serious challenges when military bases close But affected municipalities and metro regions are not doomed Taking a long term flexible and incremental approach Michael Touchton and Amanda J Ashley make strong recommendations for collaborative models of governance that can improve defense conversion dramatically and ensure benefits even for low resource municipalities Communities can't control their economic situation or geographic location but as *Salvaging Community* shows communities can control how they govern conversion processes geared toward redevelopment and
