48 Home Business Ideas Guide Manuela Willbold, Fernando Raymond, Introduction Your time is limited so don't waste it living someone else's life Don't be trapped by dogma which is living with the results of other people's thinking Don't let the noise of others' opinions drown out your own inner voice And most important have the courage to follow your heart and intuition They somehow already know what you truly want to become Everything else is secondary Steve Jobs Co founder of Apple Have you ever really taken the time to think about what you actually want out of your own life It's not an easy task and many people don't make the effort as they probably feel it's not that important But if you're in a place where you're questioning your lifestyle and what you do for a living then this should be the first step you take to identify what you really want to spend the majority of your time doing At ClickDo Ltd a digital marketing SEO agency in London the authors do what they love every single day and with this book they want to provide you with inspiration to find something you can see yourself doing in the near future Fernando Raymond the CEO of ClickDo Ltd and Manuela Willbold blogger senior content writer at ClickDo Ltd have created this guide with a mission to show people that as the internet marketplace grows there are almost endless work options online for anyone with any talent and skill With the creative support and vision of ClickDo senior web designer Kasun Sameera this book has come to life In 20 years you will be more disappointed by what you didn't do than by what you did Mark Twain American writer We've all gone through this same experience we went to school got a degree and worked but did we do what we felt passionate about Fernando started ClickDo Ltd because he asked himself that exact question His vision was to lead a free life where he could work from anywhere in the world He identified his passion for SEO and digital marketing and set up ClickDo Ltd with only a few clients in the early days Kasun joined him and together they went on the journey of building many more online

businesses like web hosting company SeekaHost Manuela felt an emerging passion for writing while working as a teacher and found ClickDo while searching for WordPress Training to start her own blog Now she writes content and manages various ClickDo blogs If they can do it so can you

How to Swing Trade for a Living J.R. Lira, How to Swing Trade for a Living for all beginning aspiring investors and traders who are just getting their head around doing the swing trading business and want to work from home Everyone has their own ideas of what they think swing trading is and what it can do for them How to Swing Trade for a Living is for beginners and will detail many of the things that a brand new swing trader must learn to do before they can become consistently profitable in the live markets How to Swing Trade for a Living will be an incredible read for someone who has zero knowledge and wants to start their own swing trading business from home or someone who has some basic experience who is struggling with their trading and investing This is a very good book for the beginner as it is easy to absorb information if you re new all you need to do at this point is try to absorb what is said here One of the reasons swing trading is so profitable is because the expenses associated with this type of market action are low and do not add up as quickly as they do with other types of trading Remember it takes money to make money and also costs money to make money in the live markets You can begin swing trading with very low capital as long as you have your rule based plan in place and have systematically tested it out

How to become a Winning Trader Mat Ketmaker, The key to being rich from trading is learning how to become rich first Everyone has their own idea of what it means to be rich and have financial freedom and the information this book will start you on your journey to getting what it is you want This book will get you on the fast track to knowledge about what it takes to become financially independent so that you can live free and make an income trading from anywhere in the world you wish to be Use this book as an overview or a guide if you will for what to study and learn first to become consistently profitable from investing and trading as a self directed beginner This book is written to provide straightforward easy to understand and easy to apply advice tips and techniques that can be the backbone of any self directed beginner traders success in the financial markets The key is to construct implement then stick to a core strategy that is rule based and if you wish to become wealthy this is the only way to do it during both ups and downs in the markets There is a lot to know and learn and I give you concise information as to what to learn first and what to look for as far as further information is concerned and where to look for it I tell you only the most critical things to learn first because those are absolutely the most important and the ones that will make you unlimited amounts of money right away if you do them properly You are the only one making you do the trading business so don t you owe it to yourself to study the right information and do the best education and training you can right from the first day The alternative of not doing it right from the start is your trading account will get FUBAR and no one wants that now right By following the advice and information in this book you can greatly cut down the long learning curve there is in this business and put yourself on the fast track to making an unlimited income for yourself from anywhere in the world that s the best business in the world to be in isn t it

How to have \$uccess in Financial Market Investing & Trading Ricardo Calca, Investing and trading is the best business in the world as far as I am concerned It is the only business I know of where you can be at the beach on a beautiful sunny day or scuba diving or flying to Europe for the weekend to meet up with friends and still be making money the whole time you re doing it This book is for all the new beginner and upcoming aspiring investors day traders and swing traders who are coming into the business and have zero or very limited knowledge so they won t have to waste valuable learning time and money to figure out only the most important things to know on their own No other business in the world other than trading the financial markets allows you to work at your own pace and make an unlimited amount of money A brand new trader with no experience can read this book and depending on how fast they can grasp the concepts and learn them can be making an income for themselves in as little as 30 days to 6 months Learning the trading business is not as hard as one would imagine as long as you are learning it the right way the first time from the first day This book and the information it provides to brand new investors and traders is like having the keys to your mansion Ferrari and super yacht handed to you all at the same time You can certainly have all of those things and more if you just take your time and go slow and logically think through what this book is telling you to do
