Donald Trump has called the ongoing interest in the details about Epstein's web of clients and enablers a hoax. But in this book, a Pulitzer Prize-nominated journalist delivers the most comprehensive account yet of the disgraced financier's life and death, revealing a criminal enterprise that stretched over decades. An exhaustively detailed look at the life, death, and alleged crimes of Epstein along with his years-long friendship with Trump in the 1990s and early 2000s and how Trump's ascendancy to the presidency ultimately helped expose Epstein. Forbes An ID Book Club Selection. Featured in the Peacock original documentary series Epstein's Shadow. Ghislaine Maxwell. By now the basic contours of Jeffrey Epstein's horrendous crimes, his decades-long serial abuse of young women and underage girls, are familiar. But for all that has been written about Epstein since his shocking death in a lower Manhattan jail cell, an astonishing amount remains unknown. A shy Brooklyn kid turned renegade financier, Jeffrey Epstein never wanted to play by the rules of polite society. He was elusive in life and he has remained just as elusive in death. What is known is that he had amassed nearly 600 million by the time of his death. That fortune allowed Epstein to pursue a privileged, secretive life, jetting between his fortress-like homes in Manhattan, New Mexico, and Little St. James, his private island. Behind these closed doors, Epstein socialized with scientists and world leaders and preyed on powerless young women. In *The Spider*, Barry Levine shines a light into the darkest corners of Epstein's world, including Epstein's young adulthood and earliest accusations of sexual misconduct, the murky sources of Epstein's fortune and business dealings, Epstein's circle of confidantes and employees, particularly the nature of his long relationship with socialite Ghislaine Maxwell, his ties to powerful men including Bill Clinton.

Prince Andrew and Donald Trump Epstein's last hours as a free man in Paris and the secret operation to arrest him at a New Jersey airport before he could flee details on Epstein's final days in jail and the mystery surrounding his death Featuring rare and never before seen photographs The Spider exposes how Epstein operated and evaded justice for so long and how he drew so many others into his criminal web **The Likeable Fraudster** Chris Taylor, 2018-02-28 Jake Alexander has it all Young single and good looking he's living the high life as a successful doctor running a Sydney Harbour Hospital medical practice with Shane Kirkbride and Kevin Johnson his two best friends from college But then Shane is found murdered in the back room of the clinic and the police are insistent the murder was an inside job It's ludicrous to think that Jake or Kevin might be responsible but the police have the two of them in their sights Kevin is let off the hook when he produces an alibi he was out to dinner with his girlfriend and there are plenty of witnesses to back him up Jake isn't so lucky He has no one who can come forward and vouch for his whereabouts The police turn up the heat Jake isn't surprised to discover Katrina West is Kevin's alibi As Kevin's long term girlfriend the pair are as good as joined at the hip It pains Jake to admit it but the two of them make a great couple and will no doubt one day marry The thought depresses the hell out of him but there's nothing he can do His only hope is to get over his feelings for Kat and find a woman as perfect as she But as the police investigation becomes more pointed Jake is flat out just trying to survive Why won't they believe his protestations of innocence Why is he the only one who believes they're wasting their time Meanwhile the person who did it might very well get away with murder
