## **Kingdoms Before The Flood:**

*Kingdoms Before the Flood* Steve Preston, 2014-06-16 Adam was not the first human before the flood nor was his kingdom the only kingdom of that time To trace the preflood Kingdoms we must travel back in time many thousands of years Read about the proof of the Titans the ANAK the Nephadim the major kingdoms from around the world that were all devastated by the world wide flood Also look at the evidence of Venus and Atlantis destruction and why the ANAK race were worshiped as gods The details are just inside **Chronological Antiquities: Or, the Antiquities and Chronology of the Most Ancient Kingdoms from the Creation of the World of the Space of Five Thousand Years** John Jackson, 1752

From the First Rising Sun Charla Jean Morris, 2011-08-10 While in medical school which I did not have the privilege of completing once a week we had a small group discussion class called Focus On Problems Each group had a leader a member of the medical school staff or someone closely associated with the school usually an MD or Ph D Our group leader was Dean of the Medical School H David Wilson MD One class period focused on working with patients of different ethnic backgrounds Dr Wilson asked me what were some of the traditions of my tribe in regard to medicine that would be helpful for a doctor to know My reply was that I had been raised like a white that I had grown up learning about various herbal and natural remedies but that I knew nothing about the specific medical traditions ceremonial or secular of my people I had always longed to know of the traditions of my people before that but circumstances of my family history had not allowed it That question in the Focus On Problems class caused that longing to intensify into a sharp pang of longing that would not be satisfied until many years later While in the first two years of medical school as a nontraditional student I was in an environment that encouraged the development of the knowledge of Native American traditions We had Native American speakers that came and elaborated on Native American traditions One area that was lacking was tribal histories but what academics label prehistory I commented to her that when white man came they did all they could to destroy our social and religious fabric so the old traditions were not passed down to most of the remaining members of the tribes Now we know nothing of our old history There is nothing left The white side of my family history is easy to know but not my Cherokee and Choctaw side She replied by saying that yes many of our peoples have lost their old traditions and it is sad **The Visible Kingdom of God** Esther Stein, 2018-03-30 As Noah and his family repopulated the earth they passed on fascinating details of life before the Flood These parallel the book of Genesis but diverge after Babel Read these amazingly similar accounts from every part of the world See how this informs your study of the Bible God's Formula for Kingdom Living Pastor Eugene Hartley, 2010-05 Pastor Eugene Hartley is a dynamic Bible Teacher with over 53 years of evangelizing and pastoring churches He started 6 churches and built 15 buildings for Christ He is currently the pastor of the CornerStone Church in Stapleton Alabama This is a church where Jesus is Lord and your Eternity has already begun Trail of Satan The Missing Link Complaining Souls under the Alter 3 People who told the Story of Creation for the first 2500 years Where have the Dead gone
