

POLICE OFFICER BIOGRAPHY EXAMPLES

Officer Keane Reeves has been serving the ninth district of the city of Warhol in the state of Georgia for over ten years. He was first inspired to become a police officer after witnessing two officers beating a suspect that they had just arrested, simply out of spite for having caught him. Officer Reeves was just a child at the time, but he vowed to become a police officer that would be able to reshape the department and bring true justice. His biggest inspiration was his mother, who encouraged him to be a protector of the people, rather than protecting himself from the people.

A graduate of Percy High School in Warhol, Officer Reeves is a native to Georgia and the Warhol area. After graduating high school, Officer Reeves obtained an associate's degree in Paralegal Studies from Roanoke County Community College. He worked for two years as an assistant to a criminal lawyer, hoping to gain knowledge about the legal system. He left his position in 2004, disturbed at the amount of injustice he had observed in his work. He joined the ninth district city police later that year, and demonstrated himself to be a calm and fair officer who was trusted by the community.

In 2015, he was promoted to Deputy, and he began to make changes in the structure of the police department. He implemented the use of body cameras for all officers, and insisted on accompanying a random officer each night on making rounds across the city. During his tenure as deputy, the number of complaints received about police conduct have dropped by half. Officer Reeves is currently working on an outreach mission to unite the community and police officers in informal discussions, in order to restore trust in law enforcement over recent tensions in the community.

Autobiography of the Late Col. Geo. T.M. Davis George Turnbull Moore Davis, 1891 **Introduction to Law Enforcement** George Kirkham, Laurin A. Wollan, 1980 **Race, Crime, and Policing in the Jim Crow South** Brandon T. Jett, 2021-07-07 Winner of the Florida Book Award general nonfiction category Throughout the Jim Crow era southern police departments played a vital role in the maintenance of white supremacy Police targeted African Americans through an array of actions including violent interactions unjust arrests and the enforcement of segregation laws and customs Scholars have devoted much attention to law enforcement's use of aggression and brutality as a means of maintaining African American subordination While these interpretations are vital to the broader understanding of police and minority relations Black citizens have often come off as powerless in their encounters with law enforcement Brandon T Jett's *Race Crime and Policing in the Jim Crow South* by contrast reveals previously unrecognized efforts by African Americans to use manage and exploit policing In the process Jett exposes a much more complex relationship suggesting that while violence or the threat of violence shaped police and minority relations it did not define all interactions Black residents of southern cities repeatedly complained about violent policing strategies and law enforcement's seeming lack of interest in crimes committed against African Americans These criticisms notwithstanding Blacks also voiced a desire for the police to become more involved in their communities to reduce the seemingly intractable problem of crime much of which resulted from racial discrimination and other structural factors related to Jim Crow Although the actions of the police were problematic African Americans nonetheless believed that law enforcement could play a role in reducing crime in their communities During the first half of the twentieth century Black citizens repeatedly demanded better policing and engaged in behaviors designed to extract services from law enforcement officers in Black neighborhoods as part of a broader strategy to make their communities safer By examining the myriad ways in which African Americans influenced the police to serve the interests of the Black community Jett adds a new layer to our understanding of race relations in the urban South in the Jim Crow era and contributes to current debates around the relationship between the police and minorities in the United States **Arkansas Biography** Jeannie M. Whayne, 2000-01-01 Eight years in the making *Arkansas Biography* brings to light the lives of those who have helped shape Arkansas history for over four hundred years Featured are not only the trailblazers such as steamboat captain Henry Shreve Olympic gold medalist Bill Carr discount mogul Sam Walton and aviator Louise Thaden but also those whose lives reflect their culture and times musicians scientists teachers preachers and journalists One hundred and eighty contributors professional and avocational historians offer clear vignettes of nearly three hundred individuals beginning with Hernando de Soto who crossed the Mississippi River in the summer of 1540 The entries include birth and death dates and places life and career highlights lineage anecdotes and source material This is a browser's book with an Arkansas voice The wealth of information condensed into this single reference volume will be valuable to general readers of

Combating London's Criminal Class Matthew Bach, 2020-07-09 The criminal class was seen as a violent immoral and dissolute sub section of Victorian London s population Making their living through crime and openly hostile to society the lives of these criminals were characterised by drunkenness theft and brutality This book explores whether this criminal class did indeed truly exist and the effectiveness of measures brought against it Tracing the notion of the criminal class from as early as the 16th century this book questions whether this sub section of society did indeed exist Bach discusses how unease of London s notorious rookeries the frenzy of media attention and a word deleted here panic among the general public enforced and encouraged the fear of the criminal class and perpetuated state efforts of social control Using the Habitual Criminals Bills this book explores how and why this legislation was introduced to deal with repeat offenders and assesses how successful its repressive measures were Demonstrating how the Metropolitan Police Force and London s Magistrates were not always willing tools of the British state this book uses court records and private correspondence to reveal how inconsistent and unsuccessful many of these measures and punishments were and calls into question the notion that the state gained control over recidivists in this period

The Politics of Biography in Africa Anaïs Angelo, 2021-08-31 Bringing together historians political scientists and literary analysts this volume shows how biographical narratives can shed light on alternative little known or under researched aspects of state power in African politics Part 1 shows how biographical narratives breathe new life into subjects who upon decolonization had been reduced to silence women workers and radical politicians The contributors analyze the complex relationship between biographical narratives and power questioning either the power of biographical codes peculiar to western colonial origins or the power to shape public memory Part 2 reflects on the act of auto biography writing as an exercise of power one that blurs the lines between truth and invention Auto biographical narratives appear as politicized ambiguous stories Part 3 focuses on female leadership during and after colonization exploring on how women gained lost or reinvented power Brought together the contributions of this volume show that the function of biographical narratives should no longer oscillate between romanticized narratives and historical evidence their varied formats all offer fruitful opportunities for a multidisciplinary dialogue This book will be of interest to scholars from various disciplinary backgrounds working on the African postcolonial state the decolonization process women s and gender studies and biography writing

Radicalization Melissa Dearey, 2009-12-04 Expanding the influence of auto biography studies into cultural criminology Radicalization The Life Writings of Political Prisoners addresses the origins processes and cultures of terrorist criminality and political resistance in a globalized world Criminologists and penologists have long been aware of the sheer volume of autobiography emerging from our prisons Political prisoners POWs freedom fighters and terrorists have been consistently and strongly represented in this

corpus of work including such authors as Bobby Sands Wole Soyinka Nelson Mandela Moazzam Begg Ngugi wa Thiong o Angela Davis George Jackson and Aung San Suu Kyi among others For many of those who have been detained for ostensibly politically motivated crimes life writing has proven to be indispensable in explaining the causes and processes which account for their situation Embedded with these life writings are narratives of radicalization or resistance Melissa Dearey here undertakes an international and comparative analysis of such narratives where the life story is considered as a mode of expressing and transmitting radical cultural values

The Scottish Police Officer Daniel Donnelly, 2014-05-16 The structure of policing is undergoing change in Scotland at present and the profile of the police officer differs from that of the past This book takes an informative approach and offers a unique account and insight into the Scottish police organisation describing the Scottish police officer from the point of recruitment through to training development and specialist policing Written by an ex senior police officer this book examines how the qualified police officer goes about his her daily work policing and how this has changed over time as a result of organised crime terrorism and the changing priorities of the public and politicians The contribution of non police officers such as police civilian staff auxiliaries and the private sector plays a key role in the policing of Scotland in the 21st century and is considered at length As police supervision and management is crucial to the organisation s success the subjects of personnel development promotion and management in the police is examined with comment on the suitability of the system in the 21st century The book concludes with commentary on the future profile of the Scottish police officer and makes some general comparison with their colleagues in the rest of the UK and European Union This will be an essential text for police officers in Scotland and elsewhere and students and academics in the areas of law politics management police studies criminology and criminal justice

Routledge International Handbook of Police Ethnography Jenny Fleming, Sarah Charman, 2023-01-31 Ethnography has a long history in the humanities and social sciences and has provided the base line in the field of police studies for over 60 years We have recently witnessed a resurgence in ethnographic practice among police scholars and this Handbook is a response to that revival Students and academics are returning to the ethnography arena and the study of police in situ to explain the evocative worlds of the police The list of ethnographic sites is vast and all have fed the rejuvenation of ethnographic endeavour Together they suggest innovation theoretical depth broad geographical boundaries multi site experiments and multi disciplinarity all of which are central to the exploration of police and policing in the twenty first century This Handbook encapsulates the revival of police ethnography by exploring its multidisciplinary field and cataloguing the ongoing ethnographic work It offers an original and international contribution to the field of police studies and research methods providing a comprehensive and overarching guide to police ethnography We see the previous classics in every page and still note the influence of the early ethnographers At the same time we see the innovative breadth and diversity of these narratives The aim of this Handbook is to highlight the mosaic that is police ethnography at a point in time and note with pleasure its contribution to the field once more

Ethnography may be messy difficult and at times uncooperative but its results offer a unique insight into the perspectives of people and organisations that can hide in plain sight An accessible and compelling read this Handbook will provide a sound and essential reference source for academics researchers students and practitioners engaged in police and criminal justice studies

Police Detectives in History, 1750-1950 Clive Emsley, 2017-09-29 While the history of the uniformed police has prompted considerable research the historical study of police detectives has been largely neglected confined for the most part to a chapter or a brief mention in books dealing with the development of the police in general The collection redresses this imbalance Investigating themes central to the history of detection such as the inchoate distinction between criminals and detectives the professionalisation of detective work and the establishment of colonial police forces the book provides a the first detailed examination of detectives as an occupational group with a distinct occupational culture Essays discuss the complex relationship between official and private law enforcers and examine the ways in which the FBI in the U S A and the Gestapo in Nazi Germany operated as instruments of state power The dynamic interaction between the fictional and the real life image of the detective is also explored Expanding on themes and approaches introduced in recent academic research of police history the comparative studies included in this collection provide new insights into the development of both plain clothes policing and law enforcement in general illuminating the historical importance of bureaucratic and administrative changes that occurred within the state system

The Cowboy Capitalist Charles van Onselen, 2018-04-20 The Jameson Raid was a pivotal moment in the history of South Africa linking events from the Anglo Boer War to the declaration of the Union of South Africa in 1910 For more than a century the failed revolution has been interpreted through the lens of British imperialism with responsibility laid at the feet of Cecil Rhodes Yet the raid was less a serious attempt to overthrow a Boer government than a wild adventure with transnational roots in American filibustering In *The Cowboy Capitalist* renowned South African historian Charles van Onselen challenges a historiography of over 120 years locating the raid in American rather than British history and forcing us to rethink the histories of at least three nations Through a close look at the little remembered figure of John Hays Hammond a confidant of both Rhodes and Jameson he discovers the American Old West on the South African Highveld This radical reinterpretation challenges the commonly held belief that the Jameson Raid was quintessentially British and in doing so drives splinters into our understanding of events as far forward as South Africa s critical 1948 general election with which the foundations of Grand Apartheid were laid

Law & Criminal Justice Christopher E. Smith, Madhavi Michael McCall, Cynthia Perez McCluskey, 2005 Law changes as new developments affect society The dawn of a new century provides a marking point for the evaluation of trends in law and policy This book examines emerging issues that will shape society s rules and legal processes in the twenty first century By identifying developments affecting technology demography and politics the authors evaluate impacts on law and criminal justice Many of the issues discussed including the expanding Latino population new technologies for investigations weapons and executions health

crises in prisons DNA testing and the war on terrorism will have profound effects on the fates of individuals drawn into the justice system

Law Without Justice Paul H. Robinson, Michael T. Cahill, 2006 This book is a for thoughtful legislators and all the rest of us who seek justice for persons charged with crimes proportional punishment of the guilty and exculpation of the morally blameless The authors demonstrate with remarkable lucidity how and why the criminal law sometimes deliberately sacrifices justice for other goals and they provide thoughtful controversial and often persuasive suggestions on how we can redesign our legal system to give people their just deserts In the book the authors offer an account of how the American criminal justice system fails to give offenders their just deserts in a number of different contexts From the refusal to allow partial exoneration for defenses like mistake of law and insanity to the practical limitations on detecting and prosecuting offenders they also demonstrate through discussions of actual cases the many areas where criminal sentencing fails to do justice Dust jacket

Companion to Women's Historical Writing M. Spongberg, A. Curthoys, B. Caine, 2016-04-30 This A Z reference work provides the first comprehensive reference guide to the wide range of historical writing with which women have been involved particularly since the Renaissance The Companion covers biographical writing travelogue and historical fictions broadening the concept of history to include the forms of writing with which women have historically engaged The focus is on women writing in English internationally but historical and historiographical traditions from beyond the English speaking world are also examined Brief biographies of individual writers are included

Watching Women Stephanie J. Brown, 2024-12-18 Historians of the early twentieth century often focus on the surveillance of anarchist communist and anti colonial movements overlooking the resource intensive policing of the women s suffrage movement as a significant expansion of the state s surveillance activities Bridging that gap in the historical record *Watching Women* draws on recently declassified Home Office documents to present a fuller picture of the British domestic surveillance practices The book maps the history of state surveillance of the British women s suffrage movement and its leaders explaining how militant activists used various forms of writing novels short stories journalism and memoirs to represent and resist state surveillance These genres in the book enable specific strategic responses to the state s repression of suffrage militancy The book explores the aftermath of suffrage surveillance by tracing the diverging activist careers of two prominent suffragettes Sylvia Pankhurst and Mary Allen during and after World War I as they continued their engagement with the state s surveillance apparatuses In doing so *Watching Women* illuminates histories of the suffrage campaign through women s experiences of navigating surveillance

PEE WEE Serial Killer or Homicidal Maniac O. Grady Query, 2014-03 Pee Wee Gaskins killed without hesitation and apparently without remorse over and over again He did so as he meandered in and out of maximum security prisons where he spent more than half of his life Sentenced to reform school at age thirteen he honed his skills in the use of extreme violence The horror of his crimes is played out against the backdrop of one of the most rural areas of South Carolina during the tumultuous change from absolute segregation to forced integration In a lifestyle of absolute lawlessness Gaskins exercised a bizarre charismatic control over the women who surrounded him and ruled his little gang of miscreants with violence and murder Sometimes driving a hearse and bragging of a private graveyard he maintained a macabre and confusing presence to those he encountered Diminutive at five feet three inches and one hundred thirty pounds he feared no man and struck fear in most Undaunted by arrests and imprisonment he conducted a crusade of murder and mayhem over nearly three decades and killed more than fifty people His motives were as varied as his methods

Autoethnography for Librarians and Information Scientists Ina Fourie, 2021-06-24 *Autoethnography for Librarians and Information Scientists* illustrates that autoethnography is a rich qualitative research method that can enhance understanding of one's own work experiences whilst also facilitating the design of tailored experiences for a variety of audiences Starting with the position that librarians and information scientists require deep insight into people's experiences needs and information behaviour in order to design appropriate services and information interventions this book shows that using only conventional methods such as questionnaires and focus groups is insufficient Arguing that autoethnography can provide unique insights into users cultural experiences and needs contributors to this volume introduce the reader to

different types of autoethnography Highlighting common challenges and clarifying how autoethnography can be combined with other research methods this book will empower librarians and information scientists to conceptualise topics for autoethnographic research whilst also ensuring that they adhere to strict ethical guidelines Chapters within the volume also demonstrate how to produce autoethnographic writing and stress the need to analyse autoethnographies produced by others Autoethnography for Librarians and Information Scientists is essential reading for any librarian information scientist or student looking to deepen their understanding of their own experiences It will be particularly useful to those engaged in the study of service provision user studies and information behaviour The Rehnquist Court and Criminal Punishment
Christopher E. Smith, 2014-02-04 First Published in 1997 Organised in a easily readable format this book on the Supreme Court and punishment takes the reader through the sentencing and incarceration issues that have been so controversial and yet so relatively unchanged over the years *Law Enforcement Employment Guide* Ron Stern, 1990-06
