Super Max and the Mystery of Thornwood's Revenge Susan Vaught, 2017-08-29. An excellent addition to middle grade shelves with a differently abled main character that readers will root for. School Library Journal. Vaught makes Max the brash, bold star of the book, exchanging stereotypes and sympathy cards for a well drawn character whose disability is part of who she is but not her complete identity. Hopefully Max will roll ahead as the advance guard of a literary cadre. BCCB A Parents Choice Recommended Book. It's going to take more than a knack for electronics and a supercharged wheelchair for twelve year old Max to investigate a haunted mansion in Edgar Award winning author Susan Vaught's latest middle grade mystery. Max has always been a whiz with electronics, just take a look at her turbo charged wheelchair. But when a hacker starts a slanderous Facebook page for her grandpa, Max isn't sure she has the skills to take him down. The messages grow increasingly sinister and Max fears that this is more than just a bad joke. Here's the thing: Max has grown up in the shadow of Thornwood Manor, an abandoned mansion that is rumored to be haunted by its original owner, Hargrove Thornwood. It is said that his ghost may be biding his time until he can exact revenge on the town of Blue Creek. Why? Well, it's complicated. To call him a jerk would be an understatement. When the hacking escalates suddenly, it looks to Max like this could really be Thornwood's Revenge. If it is these messages are just the beginning and the town could be in danger.

Grey-Johnson, 2015-06-27 In *Max the Cat* Max the son of the district officer returns to his provincial hometown after qualifying as a teacher However Max returns under a cloud His father is unhappy with reports of his son's radical political activities at college This sets the tone of a one-sided relationship While the son loves his father and holds him in highest regard the ambitious old politician plots for Max's removal by any means fair or foul The young man's crusade against official corruption does not sit well with some of the skeletons that his father would rather keep hidden to maintain his privilege and protect his friends Between these two men there is a woman a loving stepmother and a faithful wife who tries to reconcile her stepson and her husband With quiet faith and patience she lives with the great irony in their differences arising out of the son's firm belief in the moral principles his father taught him while her husband's own faith in his early teachings has been eroded by complacency and compromise after years in office Father and son are set on a warpath Behind the scenes in this struggle the spirits of their ancestors are at work The interplay is quite thrilling as African folklore religion and
