Smith, 2007-05-01 Offering a panoramic view of the history and culture of food and drink in America with fascinating entries on everything from the smell of asparagus to the history of White Castle and the origin of Bloody Marys to jambalaya the Oxford Companion to

American Food and Drink provides a concise authoritative and exuberant look at this modern American obsession. Ideal for the food scholar and food enthusiast alike, it is equally appetizing for anyone fascinated by Americana capturing our culture and history through what we love most: food. Building on the highly praised and deliciously browseable two-volume compendium the Oxford Encyclopedia of Food and Drink in America, this new work serves up everything you could ever want to know about American consumables and their impact on popular culture and the culinary world. Within its pages, for example, we learn that Lifesavers candy owes its success to the canny marketing idea of placing the original flavor mint next to cash registers at bars. Patrons who bought them to mask the smell of alcohol on their breath before heading home soon found they were just as tasty sober, and the company began producing other flavors. Edited by Andrew Smith, a writer and lecturer on culinary history, the Companion serves up more than just trivia, however, including hundreds of entries on fast food, celebrity chefs, fish sandwiches, regional and ethnic cuisine, food science, and historical food traditions. It also dispels a few commonly held myths: Veganism isn't simply the practice of a few hippies but is, in fact, wide spread among elite athletic circles. Many of the top competitors in the Ironman and Ultramarathon events go even further, avoiding all animal products by following a strictly vegan diet. Anyone hungry to know what our nation has been cooking and eating for the last three centuries should own the Oxford Companion to American Food and Drink. *Tricycle*, 2002

**Spring Rolls Recipes** Ann Sullivan, 2017-05-11 I am a huge fan of Spring Rolls. I try them at every restaurant that has them on the menu when I go out to eat. I had no idea how many different ways there were to make Spring Rolls. Would you happen to have any recipes I could try at home? Spring Rolls are one of my favorite things to make. They may be a little time-consuming to make from scratch, but they're a great way to get the family together for meal prep, and it allows everyone to spend a bit of time reconnecting. Spring Rolls also make a great appetizer, so if you're having a family get-together or hosting friends over the weekend, they may be something you want to put on your menu. A few of my favorite Spring Roll recipes include the Mango Spring Rolls, Lumpia in Spring Roll Wrappers, Japanese Spring Rolls, Cha Gio Chay Phenom Pehn Spring Rolls, and Greek Spring Rolls, just to name a few. The Peanut Dipping Sauce for Vietnamese Spring Rolls goes well with several of these recipes, too. Enjoy, and don't forget to write in and let me know what you thought of these recipes. I'd also like to hear what you would like to see in the near future. Bon Appetit, Ann Sullivan
