- 01. Guitar Solo
- 02. In The Evening
- 03. Stairway To Heaven
- 04. Rock And Roll
- 05. Whole Lotta Love
- 06. Heartbreaker

Note: This version is a Soundboard Recording patched with Audience.

The whole concert was professionally recorded and filmed. Support from The New Barbarians, Fairport Convention, Todd Rundgren & Utopia, Southside Johnny & The Asbury Jukes, Marshall Tucker Band and Chas & Dave. "Ten Years Gone" was used for promo action of "Remasters" compilation in late 1990 and were broadcasted by MTV station on special "Whole Lotta Led" weekend program also in late 1990. Pre-shot fragments were also used on "Over The Hills And Far Away" (late 1990) and "Whole Lotta Love" (1997) promo videos. Finally film and some of pre shot video were used on DVD in 2003.

Following a four year absence, Led Zepplin make their triumphant return to England with two of the biggest shows of their career. However, despite two successful warm-up gigs in Denmark two weeks earlier, the band is still nervous to be performing for their home crowd after such a long break. The apprehension is evident as "The Song Remains The Same" gets underway. Page has lost the fluency of his Denmark performances, causing him to stumble a bit during the sticky-fingered guitar solos and Plant's voice is a little rusty at times. On the other hand, Bonzo is a thunderous explosion of energy and his powerful hammering is the backbone of the band. Following a high-speed "Celebration Day", Plant greets the massive crowd, joking "I told Pagey that one or two people would be here, but he said he doubted it very much." Page's fingers get stuck in the strings during the guitar solo in "Black Dog". Plant unleashes some spine-chilling shrieks during the initial verses. The band hammers through an abrasive "Moby Dicks Rag".

"Since I've Been Loving You" is absolutely fantastic. Page leads the band on an intense emotional journey, tearing each note of the guitar solo from the depths of his soul. A phenomenal performance and one of the best in recent memory. Jones is introduced as "the man from Causlandia" before "No Quarter".

Eleven Years Gone:

21 Years Gone Jack Osbourne, 2011-09-23 By the time Jack was fifteen he was addicted to alcohol and prescription drugs was hanging out with rock stars in LA and living a life that any teenager would aspire to And then The Osbournes turned him into a global celebrity But as much as Jack enjoyed his fame underneath it all he was still an awkward teenager using his sense of humour as a shield And with fame and money came a greater access to drugs his addictions took a firmer hold on him and his behaviour was soon out of control In 21 Years Gone Jack writes with brutal frankness about his descent into addiction and the low point he reached when Sharon was diagnosed with cancer Scared that his mum might die Jack retreated further into his alcoholic shell hating who he was hating what he did Every night he would get into bed and pray for God to take his life When Sharon realised what was happening she told Jack he had to go to rehab and slowly he turned his life around Discovering a passion for extreme sports he went from overweight and unfit to the lean young man he is today courtesy of such adventures as running with the bulls in Pamplona fighting a Thai martial arts expert known only as The Man and scaling El Capitan one of the world's toughest climbs By turns funny disarmingly honest and moving 21 Years Gone is the amazing story of young man who has confronted his demons and defeated them Echoes from Years Gone by James
