## **Elizabeth Is Missing:**

*Elizabeth Is Missing* Emma Healey, 2014-06-10 In this darkly riveting debut novel a sophisticated psychological mystery one woman will stop at nothing to find her best friend who seems to have gone missing Despite Maud's growing anxiety about Elizabeth's welfare no one takes her concerns seriously not her frustrated daughter not her caretakers not the police and especially not Elizabeth's mercurial son because Maud suffers from dementia But even as her memory disintegrates and she becomes increasingly dependent on the trail of handwritten notes she leaves for herself in her pockets and around her house Maud cannot forget her best friend Armed with only an overwhelming feeling that Elizabeth needs her help Maud resolves to discover the truth no matter what it takes As this singular obsession forms a cornerstone of Maud's rapidly dissolving present the clues she uncovers lead her deeper into her past to another unsolved disappearance that of her sister Sukey who vanished shortly after World War II As vivid memories of a tragedy that occurred more than fifty years ago come flooding back Maud's search for Elizabeth develops a frantic momentum Whom can she trust Can she trust herself A page turning novel of suspense *Elizabeth Is Missing* also hauntingly reminds us that we are all at the mercy of our memory Always compelling often poignant and at times even blackly witty this is an absolutely unforgettable novel *Elizabeth Is Missing* Emma Healey, 2015-06-02 Maud is forgetful She makes a cup of tea and doesn't remember to drink it She goes to the shops and forgets why she went Sometimes her home is unrecognizable or her daughter Helen seems a total stranger But there's one thing Maud is sure of her friend Elizabeth is missing The note in her pocket tells her so And no matter who tells her to stop going on about it to leave it alone to shut up Maud will get to the bottom of it Because somewhere in Maud's damaged mind lies the answer to an unsolved seventy year old mystery One everyone has forgotten about Everyone except Maud A page turning story of suspense *Elizabeth Is Missing* hauntingly reminds us that we are all at the mercy of our memory Always compelling often poignant and at times even blackly witty this is an absolutely unforgettable novel *'Elizabeth is Missing'*. L. De La Torre-Bueno, 1947 *Whistle in the Dark* Emma Healey, 2018-05-03 Jen has finally got her daughter home But why does fifteen year old Lana still feel lost When Lana goes missing for four desperate days and returns refusing to speak of what happened Jen fears the very worst She thinks she's failed as a mother that her daughter is beyond reach and that she must do something anything to bring her back The family returns to London where everyone but Jen seems happy to carry on as normal Jen's husband Hugh thinks she's going crazy and their eldest daughter Meg is tired of Lana getting all the attention But Jen knows Lana has changed and can't understand why Does the answer lie in those four missing days And how can Jen find out As gripping as *Elizabeth Is Missing* Elle Utterly compelling Rosamund Lupton A satisfying cathartic mystery Jenny Colgan A compelling modern family drama with witty and wonderful characters Utter bliss Nina Stibbe bestselling author of *Love Nina* Intriguing and entertaining Observer **Fictions of Dementia** Susanne Katharina Christ, 2022-09-20 Taking its cues from both classical and post classical narratologies this study explores both forms and functions of the

representation of dementia in Anglophone fictions Initially dementia is conceptualised as a narrative epistemological paradox The more those affected know what it is like to have dementia the less they can tell about it Narrative fiction is the only discourse that provides an imaginative glimpse at the subjective experience of dementia in language The narratological modelling of four narrative modes elaborates how the paradox becomes productive in fiction Depending on the narrative perspective taken but also on the type of narration the technique for representing consciousness and the epistemic strategy of narrating dementia the respective narrative modes come with different prerequisites and possibilities for narrating dementia The analysis of four contemporary Anglophone dementia fictions based on the developed model reveals their potential functions Fiction allows readers to learn about the challenges of dementia grants them perspective taking it trains cognitive flexibility and explores the meaning of memory knowledge narrative and imagination and thus also offers trajectories of a cultural coping with dementia

**Poetics of Disturbances** ,2024-10-28 This volume calls for a Narratology of Diversity by investigating narratives of non normative bodies and minds It explores mental health representations in literature including neurodiversity the body mind nexus and embodied non normativities therein emphasizing the importance of understanding diverse psychological conditions as represented in narratives The contributions include perspectives from a wide variety of scholars of European North American and comparative literature and culture While post classical narratology has evolved through phases of diversification and consolidation this volume represents innovation in understanding narrative development to embrace new areas of social awareness including gendered narratologies specifically feminist and queer narratologies and post colonial criticism paving the way for a more inclusive narratology

**Women's Narratives of Ageing and Care** Emily Jeremiah, Shirley Jordan, 2025-02-17 Care is fundamental to human survival yet it is often overlooked undermined undervalued and thought of as women s work Care of the old is particularly low in status and is too readily occluded This volume asks why and how cultures of care for older people are negatively configured It examines some of the powerful responses to relationships of intergenerational care in recent creative works by women It thereby contributes to the contemporary imperative to transform care by investigating some of the ways in which care might be redefined and reconceptualized Taking as its focus the representation or narrativization of care in theory literature visual culture and performance it engages with contemporary female authored works from diverse cultural contexts encouraging the development of comparative cross cultural perspectives Narrative is key here for it is in stories about ageing and care that the complexities and ambiguities of care relationships are made available and that simplified ideas about them are challenged This volume will be of interest to scholars in literary and cultural studies gender studies critical age studies the medical and health humanities and all who are interested in care
