Website Owner's Manual Paul A. Boag, 2009-10-31 Many of the people responsible for a website don't have a clue what's required to build one and keep it up and running. The job of planning, launching and managing a site often falls to people who have little or no experience in web design or development. Website Owner's Manual is for the thousands of marketers, IT managers, project leaders and business owners who need to put a website in place and keep it running with a minimum of trouble. Using clever illustrations, easy to follow lists and diagrams and other friendly touches, Website Owner's Manual helps readers form a vision for a site, guide them through the process of selecting a web design agency and gives just enough background to help them make intelligent decisions throughout the development process. This book provides a jargon-free overview of web design including accessibility, usability, online marketing and web development techniques. Using Website Owner's Manual, readers master the vocabulary and concepts they need to discuss how a website dovetails with the needs of a business. This book will help them work confidently with the designers and developers building and maintaining a site so they can concentrate on what your website needs to do. Purchase of the print book comes with an offer of a free PDF, ePub and Kindle eBook from Manning. Also available is all code from the book.

The Startup Owner's Manual Steve Blank, Bob Dorf, 2020-03-17 More than 100,000 entrepreneurs rely on this book. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you step by step as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the Lean Startup movement, and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs and diagrams plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you avoid the 9 deadly sins that destroy startups' chances for success. Use the Customer Development method to bring your business idea to life. Incorporate the Business Model Canvas as the organizing principle for startup hypotheses. Identify your customers and determine how to get, keep and grow customers profitably. Compute how you'll drive your startup to repeatable, scalable profits. The Startup Owners Manual was originally published by K&S Ranch Publishing Inc and is now available from Wiley. The cover design and content are the same as the prior release and should not be considered a new or updated product.
