Living Room Lectures Nina C. Leibman,2010-07-22 With a breadwinner dad a homemaker mom and squeaky clean kids the 1950s television family has achieved near mythological status as a model of what real families ought to be Yet feature films of the period often portrayed families in trouble with parents and children in conflict over appropriate values and behaviors Why were these representations of family apparently so far apart Nina Leibman analyzes many feature films and dozens of TV situation comedy episodes from 1954 to 1963 to find surprising commonalities in their representations of the family Redefining the comedy as a family melodrama she compares film and television depictions of familial power gender roles and economic attitudes Leibman s explorations reveal how themes of guilt deceit manipulation anxiety and disfunctionality that obviously characterize such movies as Rebel without a Cause A

Summer Place and Splendor in the Grass also crop up in such TV shows as The Adventures of Ozzie and Harriet Father Knows Best Leave It to Beaver The Donna Reed Show and My Three Sons Drawing on interviews with many of the participants of these productions archival documents and trade journals Leibman sets her discussion within a larger institutional history of 1950s film and television Her discussions shed new light not only on the reasons for both media s near obsession with family life but also on changes in American society as it reconfigured itself in the postwar era **Sitcom** Saul Austerlitz,2014-03-01 The form is so elemental so basic that we have difficulty imagining a time before it existed a single set fixed cameras canned laughter zany sidekicks quirky family antics Obsessively watched and critically ignored sitcoms were a distraction a gentle lullaby of a kinder gentler America until suddenly the artificial boundary between the world and television entertainment collapsed In this book we can watch the growth of the sitcom following the path that leads from Lucy to The Phil Silvers Show from The Dick Van Dyke Show to The Mary Tyler Moore Show from M A S H to Taxi from Cheers to Roseanne from Seinfeld to Curb Your Enthusiasm and from The Larry Sanders Show to 30 Rock Each sitcom episode is a self enclosed world a brief overturning of the established order of its universe before returning to the precise spot from which it had begun In twenty four episodes Sitcom surveys the history of the form and functions as both a TV mixtape of fondly remembered shows that will guide us to notable series and larger trends and a carefully curated guided tour through the history of one of our most treasured art forms Saul Austerlitz is the author of Another Fine Mess A History of the American Film Comedy named by Booklist as one of the ten best arts books of 2010 and Money for Nothing A History of the Music Video from the Beatles to the White Stripes His work has been published in the New York Times Los Angeles Times Boston Globe Slate and elsewhere *Your Child Video Seminar Participant's Guide: Essentials of Discipline* Focus on the Family,James C. programming was an institutional crisis of television history John Caldwell s classic volume Televisuality reveals that this decline spawned a flurry of new production initiatives to reassert network authority Television in the 1980s hyped an extensive array of exhibitionist practices to raise the prime time marquee above the multi channel flow Televisuality demonstrates the cultural logic of stylistic exhibitionism in everything from prestige series Northern Exposure and loss leader event status programming War and Remembrance to lower trash and tabloid forms Pee Wee s Playhouse and reality TV Caldwell shows how import auteurs like Oliver Stone and David Lynch were stylized for prime time as videographics packaged and tamed crisis news coverage By drawing on production experience and critical and cultural analysis and by tying technologies to aesthetics and ideology Televisuality is a powerful call for desegregation of theory and practice in media scholarship and an end to the willful blindness of high theory **TLA Film, Video, and DVD Guide 2002-2003**

Family Sitcom Tison Pugh,2018-02-27 The Queer Fantasies of the American Family Sitcom examines the evasive depictions of sexuality in domestic and family friendly sitcoms Tison Pugh charts the history of increasing sexual depiction in this genre while also unpacking how sitcoms use sexuality as a source of power as a kind of camouflage and as a foundation for family building The book examines how queerness at first latent became a vibrant yet continually conflicted part of the family sitcom tradition Taking into account elements such as the casting of child actors the use of and experimentation with plot traditions the contradictory interpretive valences of comedy and the subtle subversions of moral standards by writers and directors Pugh points out how innocence and sexuality conflict on television As older sitcoms often sit on a pedestal of nostalgia as representative of the Golden Age of the American Family television history reveals a deeper queerer vision of family bonds **The Official Dick Van Dyke Show Book** Vince Waldron,2001 The first and only complete fully authorized
