A. Rogers, 2014-09-15 In the Sex and Race series first published in the 1940s historian Joel Augustus Rogers questioned the concept of race the origins of racial differentiation and the root of the color problem Rogers surmised that a large percentage of ethnic differences are the result of sociological factors and in these volumes he gathered what he called the bran of history the uncollected unexamined history of black people in the hope that these neglected parts of history would become part of the mainstream body of Western history Drawing on a vast amount of research Rogers was attempting to point out the absurdity of racial divisions Indeed his belief in one race humanity precluded the idea of several different ethnic races The series marshals the data he had collected as evidence to prove his underlying humanistic thesis that people were one large family without racial boundaries Self trained and self published Rogers and his work were immensely popular and influential during his day even cited by Malcolm X The books are presented here in their original editions **Groom for Hire (a historical western wagon train romantic comedy)** Ruth Ann Nordin, When Joe Otto accepted the job to lead a wagon train to California the last thing he expected was to be asked to marry Mr Heller s daughter Still pining over the one that got away he s not sure he has it in him to open his heart to another woman Mr Heller assures him the arrangement will only be temporary Once Joe delivers her to her aunt and uncle in California he can annul the marriage Joe can use the money and besides it s only a temporary arrangement She won t be his wife for the rest of his life Reassured by this logic he agrees to the marriage contract Michelle Heller knows the only way she s going on the wagon train is if she has a husband so she readily accepts the deal her father makes with Joe What she doesn t expect however is that her new husband is the most attractive young man she s ever seen Over and over she has to remind herself their marriage isn t real It s only borne of necessity But as the days pass on the trail it s harder to remember their marriage is only on paper and it seems the two are at odds as to what they want this marriage to be After Joe watched the woman of his dreams start a life with someone else he vowed he would never open himself up to being hurt again Can Michelle break through his wall or will she have to annul the marriage once she reaches California *Gilded* Deborah Davis, 2009-09-25 A beautifully written history of high society in Newport Rhode Island from the acclaimed author of *Party of the Century* Newport is the legendary and beautiful home of American aristocracy and the sheltered super rich Many of the country s most famous blueblood families the closest thing we have to
