Johann Wolfgang von Goethe, 1994 Goethe's classic enlivened by Randall Jarrell's fine translation and Peter Sis's dark dreamy illustrations Randall Jarrell's translation of Faust is one of his most important achievements In 1957 he inscribed Goethe's motto on the first page of his notebook Ohne Hast aber ohne Rast Without haste but without rest and from then until his death in 1965 he worked on the masterpiece of his own favorite daemon dear good great Goethe His intent was to make the German poetry free unrhymed poetry in English He all but finished the job before he died and the few lines that remained untouched Gretchen's Room were rendered into English by Robert Lowell This elegant new edition features numerous beautiful line drawings and jacket lettering by the renowned Czech artist Peter Sis author of the award winning books *Starry Messenger* *Galileo Galilei* and *Tibet Through the Red Box* *Goethe Et Le Mouvement Littéraire De Weimar* Henri Blaze, 2025-08-01 Reprint of the original first published in 1839 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Oxford Handbook of Faust in Music** Lorna Fitzsimmons, Charles

McKnight, 2019-07-08 Since its emergence in sixteenth century Germany the magician Faust's quest has become one of the most profound themes in Western history Though variants are found across all media few adaptations have met with greater acclaim than in music Bringing together more than two dozen authors in a foundational volume *The Oxford Handbook of Faust in Music* testifies to the spectacular impact the Faust theme has exerted over the centuries The Handbook's three part organization enables readers to follow the evolution of Faust in music across time and stylistic periods Part I explores symphonic choral chamber and solo Faust works by composers from Beethoven to Schnittke Part II discusses the range of Faustian operas and Part III examines Faust's presence in ballet and musical theater Illustrating the interdisciplinary relationships between music and literature and the fascinating tapestry of intertextual relationships among the works of Faustian music themselves the volume suggests that rather than merely retelling the story of Faust these musical compositions contribute significant insights on the tale and its unrivalled cultural impact *Demons of the Night* Joan C. Kessler, 1995-04-15 An anthology of thrillers and chillers from 19th Century France In Theophile Gautier's *The Dead in Love* a man develops an obsessive passion for a woman who has returned from the grave while Honore de Balzac's *The Red Inn* is on a crime which is committed by one person in thought and another in deed **La totalité** Christian Godin, 1997
