District). Records and Briefs California (State)., Federal Certification Authority Liability and Policy Michael S. Baum,1994 **Self-Help, Private Debt Collection and the Concomitant Risks** Cătălin Gabriel Stănescu,2015-08-25 The book shows that self help in commercial law is a fast inexpensive and efficient alternative to court enforcement Self help remedies and private debt collection are largely but not exclusively features of common law jurisdictions since remnants of private enforcement can still be found in contract law in civilian systems The book argues that despite their usefulness self help and private debt collection entail significant risks especially for consumer debtors This means that private enforcement needs to be accompanied by the introduction of tailor made consumer debtor protection regulation Specific attention is given to factoring which functions in many instances as a form of pseudo private debt collection and which has been exploited to bypass sector specific consumer protection regulations *Florida Advance Sheet May 2012* , *California.
