many men can handle a woman who turns furry on the full moon and every time her adrenaline gets pumping She s just about given up on love when she meets Dante The insufferable man is on the same cruise as her and for some reason pursues her As if she d ever date a womanizer Despite her issues with keeping her lycan side leashed Selene is holding out for love with a nice guy not some rich Italian playboy with suits that cost more than her entire wardrobe However Dante is tenacious and when pirates board the ship he proves to be more courageous than expected Those scurvy scoundrels chose the wrong Valentine s Day party to crash and as the bodies begin to pile up it soon becomes obvious that the ferocious Selene isn t the only one chomping on bad guys Here s to hoping by the time the cruise ends Cupid gives her the one thing she s been longing for a lover who won t mind if she growls and bites in bed      *Serving My Dragon* Eve Langlais,2025-08-14 My name is Matias and my life has become a soap opera since a bossy dragon adopted me I found a half drowned lizard while hiking but the hungry reptile isn t the only thing I picked up in Charcani Chico Kayleigh a beautiful and curvy woman with amnesia needs my help too Somehow they both end up living in my house and that s where the craziness starts First off turns out the little lizard I came across is a dragon How do I know Because she told me Yes my little Pollita can talk and she s making grandiose plans for the future If I can keep her safe That won t be easy because it turns out Kayleigh s amnesia wasn t caused by an accident Someone tried to murder her because she was a witness to Pollita s attempted kidnapping To keep both Pollita and Kayleigh safe we end up hiding out in the jungle for a while However trouble ends up finding us in our piece of paradise Who knew that serving a tiny demanding dragon would have me living out my very own telenovela Bring on the danger drama and excitement because I m ready to face it all for love      *Earth's Paladin* Eve Langlais,2024-03-14 The world might not be ready for Mother Earth s slightly murderous champion Too bad because she s about to fertilize gardens the old fashioned way with the blood of her enemies A long ago curse left Daphne trapped inside a tree for centuries When she s finally freed she s eager to resume her duty as Earth s paladin the Mother s champion a stave against all who commit evil There are those who have trespassed against nature and it s up to Daphne to ensure their rot won t spread Usually she fights alone but in this new world she requires a guide Even an unwilling werewolf with a god complex Baptiste committed an inexcusable act and the werewolf is adamant he doesn t deserve kindness or forgiveness Daphne doesn t grant him either The abrasive dryad won t let him wallow and insists he accompany her as she goes on a quest A dangerous one Maybe he ll get the punishment he so rightly deserves so he can resist the intriguing Daphne He d rather lick his own balls than admit he cares for her When peril strikes the wolfman will do anything to save her even if it means his life A paranormal romance chock full of dark humor featuring a werewolf and a dryad on a quest of revenge and redemption      **Cinder's Trial** Eve Langlais,2024-09-04 This Cinderella doesn t need a prince charming but she would like a happily ever after Silly me I thought I d beaten the Grimm Effect when I ditched the old man who wouldn t stop chasing me at the ball However here I am decades later with my fairy godmother popping back in for round two No thanks I intend to marry for love and not because of

a curse Avoiding the marriage trap might be easier if I wasn't roped into acting as a liaison for a certain European prince A good thing he's at least charming compared to his assigned protective Grimm Knight The upcoming ball for the prince's birthday is turning into a chaotic mess with hundreds of Cinderellas showing up determined to lose their shoe While I'm busy trying to screen them before they come near His Royal Highness I'm being plagued by oddities some of which are threatening my life As the curse does its best to force me into playing my role I am equally determined to fight it The question is will my refusal to conform ruin my chance at happiness A twisted fairytale romance featuring a Cinderella who is determined to avoid marrying a prince
