Friendly Fire A Cuckold S Dream:

Religion and Friendly Fire D.Z. Phillips, 2017-03-02 In locating friendly fire in contemporary philosophy of religion D Z Phillips shows that more harm can be done to religion by its philosophical defenders than by its philosophical despisers Friendly fire is the result of an uncritical acceptance of empiricism and Phillips argues that we need to examine critically the claims that individual consciousness is the necessary starting point from which we have to argue for the existence of an external world and the reality of God that God is a person without a body a pure consciousness and that to assent to a religious belief is essentially to assign a truth value to a proposition independent of any confessional context When these products of friendly fire are avoided we arrive at a new understanding of belief trust and the soul and refuse to say more or less than we know about the realities of human life in the service of religious apologetics

Millsap,2004 As might be expected the inspiration for this introduction came to me in a dream Now finally I know the book is complete It represents a long tenacious labor of many small quiet moments collected into a form that I hope you will enjoy The text holds all the dreams that I have written down I began that recording process in the spring of 1981 at the age of 22 They span from my fourth year up to my forty fifth 1963 to 2004 These are actual nocturnal visions that were given to me in sleep I have polished on them intensely all spring and feel that they have become a worthy set of image poems The ink drawings were done while awake They are grouped to improve the flow of reading Those sections do mark the moment in time of their actual public showings Interspersing each of them into its chronological place would not do justice to the hundreds of other things that I have doodled and failed to capture In total they present the story of a life The narration and art are only mostly from the usually silent unconscious Mundane events and needs have caused large gaps in the time line This work can be seen as a true novel or as an odd autobiography Each entry is a crumb from my dreaming mind I welcome you to the feast
