Friends With Benefits Slice Of Life English Edition:

Your Perfect Life Barry Oliver, 2023-06-13 Most people go to Las Vegas with dreams of striking it rich winning big at the casinos and becoming a millionaire This is not Kayden June s dream He has come to Las Vegas to lose everything if possible a seemingly easy thing to do in a city designed for consuming money but a task that becomes deceptively difficult for this unlucky man from Sioux Falls South Dakota When a three year engagement to his best friend Lucille falls apart Kayden himself falls apart He now dreams of an outrageous gambling spree in Vegas anticipating he will lose his entire life s savings Instead he gains an unexpected friendship under circumstances he could have never imagined All thanks to a drug called Dexomeral Dexomeral Dexo for short can fulfill your every dream It can take you anywhere or anywhen you want to go You can become anyone you want to be Dexo users experience their perfect life all within their minds thanks to a drug effect called the Lucid Hypnotic State To his chagrin Kayden meets and then befriends a Dexo user a man whose fantasy is to become a young school age boy just starting life in kindergarten and still needs diapers at night But who is the real person behind the dream With Dexomeral the lines between reality and fantasy can be erased Can Kayden give his friendship to two wildly different persons of vastly different ages Well as the slogan goes You haven t seen everything until you ve seen it in Vegas

English Prepositions Explained Seth Lindstromberg, 2010-08-11 This completely revised and expanded edition of English Prepositions Explained EPE originally published in 1998 covers approximately 100 simple compound and phrasal English prepositions of space and time with the focus being on short prepositions such as at by in and on Its target readership includes teachers of ESOL pre service translators and interpreters undergraduates in English linguistics programs studios advanced learners and users of English and anyone who is inquisitive about the English language The overall aim is to explain how and why meaning changes when one preposition is swapped for another in the same context While retaining most of the structure of the original this edition says more about more prepositions It includes many more figures virtually all new The exposition draws on recent research and is substantially founded on evidence from digitalized corpora including frequency data EPE gives information and insights that will not be found in dictionaries and grammar handbooks

The Value and Meaning of Life Christopher Belshaw, 2020-10-28 In this book Christopher Belshaw draws on earlier work concerning death identity animals immortality and extinction and builds a large scale argument dealing with questions of both value and meaning Rejecting suggestions that life is sacred or intrinsically valuable he argues instead that its value varies and varies considerably both within and between different kinds of things So in some cases we might have reason to improve or save a life while in others that reason will be lacking What about starting lives The book s central section takes this as its focus and asks whether we ever have reason to start lives just for the sake of the one whose life it is Not only is it denied that there is any such reason but some sympathy is afforded to the anti natalist contention that there is always reason against The final chapters deal with meaning There is support here for the sober and familiar view that

meaning derives from an enthusiasm for and some success with the pursuit of worthwhile projects Now suppose we are immortal Or suppose in contrast that we face imminent extinction Would either of these threaten meaning The claim is made that the force of such threats is often exaggerated The Value and Meaning of Life is essential reading for students and researchers in philosophy ethics and religion and will be of interest to all those concerned with how to live and how to think about the lives of others
