

The Good Samaritan

The Samaritan took the man to an inn.

Jesus told a story to teach people to love others.

He paid the inn keeper to take care of him.

One day, a man was walking alone on a mountain path.

He promised to come back and make sure he was ok.

Jesus said we should show God's love to everyone.

A gang of robbers jumped out on him. They beat him up and stole everything he had.

Literary Approaches to the Bible Douglas Mangum,Douglas Estes,2018-03-14 The study of the Bible has long included a literary aspect with great attention paid not only to what was written but also to how it was expressed The detailed analysis of biblical books and passages as written texts has benefited from the study of literature in classical philology ancient rhetoric and modern literary criticism This volume of the Lexham Methods Series introduces the various ways the study of literature has been used in biblical studies

Most literary approaches emphasize the study of the text alone its structure its message and its use of literary devices rather than its social or historical background The methods described in Literary Approaches to the Bible are focused on different ways of analyzing the text within its literary context Some of the techniques have been around for centuries but the theories of literary critics from the early 20th century to today had a profound impact on biblical interpretation In this book you will learn about those literary approaches how they were adapted for biblical studies and what their strengths and weaknesses are

Networks for Faith Formation Steve Emery-Wright,Ed Mackenzie,2017-05-19 The spiritual formation of young people can often focus on encouraging their personal spiritual practices and perhaps linking them to a local youth group While both are important

Networks for Faith Formation argues that a far wider set of relationships are needed to help faith grow. The aim of Networks for Faith Formation is to describe and commend eight key networks: relational bonds that nurture and nourish faith. The eight networks are: bedroom practices, personal faith, church family, friends, mentors, small groups, events and gatherings, and mission and service. The description of each network draws on biblical studies, practical theology, and the social sciences, and practical ideas for helping young people engage with such networks are included throughout the book. In a context where some overlook the complexity of spiritual formation, Networks for Faith Formation is an important resource for church leaders, youth ministers, and parents seeking to help young people grow in faith. Since relational bonds are key for people of any age, it can also help all within the church understand the need for relationships in spiritual growth.

South Asia Bible Commentary Zondervan, 2015-10-06. A one-volume commentary written and edited by South Asian biblical scholars on all the books of the Bible. For the purposes of this commentary, South Asia was defined as the SAARC countries: namely India, Sri Lanka, Nepal, Bangladesh, Pakistan, Bhutan, and the Maldives. The contributing scholars from these countries, addressing these countries' specific concerns, have adopted the following key principles: Integrity. Articles are written within the confines of the Lausanne Covenant, and all contributions are in line with and support the confessional direction of the Lausanne Covenant Interpretation. The commentary offers readers a contextual and readable guide to interpreting the biblical text, section by section, rather than delving too deeply into critical and exegetical details. South Asian. All authors are scholars writing from within their own contexts for the people of South Asia. The focus of this commentary is threefold: exegetical, contextual, and applied. Articles explain the meaning of the text, relate that meaning to the context, and apply it to wider life and ministry. Understanding what the Bible teaches, book by book. The following features are specifically designed to help you as you study each book of the Bible: Introduction to each book sketches the context and main themes of the book and its relevance to South Asia. Outline shows the structure of the book and can help to identify preaching topics. Subheadings break the book up into manageable portions. Bold references highlight verses being discussed and help you find your place quickly. Italics identify quoted verses being discussed at that point in the commentary. Applications are built into the text in many places. Further reading: each of the authors suggests other commentaries you could consult.

The Teacher's Commentary on the Gospel Narrative of the Last Year of Our Lord's Ministry Henry C. McCook, 1871

Compassionate Justice Christopher D. Marshall, 2012-08-01. Two parables that have become firmly lodged in popular consciousness and affection are the parable of the Good Samaritan and the parable of the Prodigal Son. These simple but subversive tales have had a significant impact historically on shaping the spiritual, aesthetic, moral, and legal traditions of Western civilization, and their capacity to inform debate on a wide range of moral and social issues remains as potent today as ever. Noting that both stories deal with episodes of serious interpersonal offending and both recount restorative responses on the part of the leading characters, *Compassionate Justice* draws on the insights of restorative justice theory, legal philosophy, and social psychology to offer a

fresh reading of these two great parables It also provides a compelling analysis of how the priorities commended by the parables are pertinent to the criminal justice system today The parables teach that the conscientious cultivation of compassion is essential to achieving true justice Restorative justice strategies this book argues provide a promising and practical means of attaining to this goal of reconciling justice with compassion The Divinity Student's Assistant: Being a Summary of Scriptural and Ecclesiastical History and Prophecy; with a Brief Exposition of the Articles, Creed, and Liturgy of the Established Church; and an Analysis of Paley's Evidences of Christianity Lowry MACCLINTOCK, 1834
