Church Marketing Manual for the Digital Age Bryan Foster, 2020-06-30 GOD is Jesus, the Truth was revealed by God through 21 Revelations received by the author in 2016 and November 2018. The various Revelations not explained in the first four books are explained now. The prophecy of the author and Tears from God help prove the Incarnations of God as Jesus and Mahomad. God needs the religious leaders, scriptural scholars, theologians, etc. from both Islam and Christianity to explain these Revelations as each applies to them. Other religions should also be included through the offer to become an integral part of God's place in today's world by helping with the explanations and the theology of One God only, the same God for all time, etc. Book 4, primarily a photobook companion for Book 3, helps the reader appreciate the Truth from God through some spectacular and original images of the sun's rays, flares, clouds, and a double rainbow. Many manifesting as sun arrows, flares, and a giant Easter Cross. The author believes that these are shared by God to help both the author and readers alike believe in their accuracy through the Revelations, images, and explanations. The final two books in this Series of seven are about LOVE in our world and ABSOLUTE LOVE from God for each one of us throughout history and into the future until the end of time. GOD LOVES each of us equally.

and encourages us all to live a life in strong relationships with God and our neighbours throughout the world past present and future *Manual de marketing online* ,2008
