Savior Jesus at work Luke 1 2 3 John 20 30 21 24 1 John 1 1 Certainly the Gospels were composed fundamentally to indicate to us Jesus Christ the Son of God and that by faith we can have life in his name John 20 31 Be that as it may what we neglect to acknowledge once in a while is that the revelation of that life in Christ incorporates the manner in which he lived and trained others to live We should remember that the witnesses who composed the books were not just witnesses to the truth they were changed by it The task of The Believer's Guide On Personal Evangelism is to bring people to faith in Jesus Christ An individual should unmistakably and coherently present the need for Jesus Christ and the provision God has made to address that issue While there are numerous approaches this book puts forward the plain facts and the directness of the straightforwardness simplicity of the gospel of our Lord and Savior Jesus Christ **Personal Evangelism** J C

Macaulay, Robert H Belton, 2013-04-25 Here is a fresh approach to personal evangelism by two writers who speak out of their experience in witnessing and in teaching principles of evangelism in the classroom The approach is biblical Scriptures are constantly introduced in dealing with various types such as the anxious the unsatisfied the fearful the procrastinator and the self righteous The study of the Word is emphasized as preparation for the soul winner Important principles are deduced from the Gospel of John The work of the Holy Spirit is emphasized because He must prepare the heart of the seeker guide the speech of the witness and cause new life to spring up in each individual heart Practicality and tact are two words which may be said to characterize this text It is not limited to theory developed in the seclusion of the study nor does it neglect criticism of such wrong approaches as the holier than thou or the wiser than thou **The Western Christian Advocate**, 1910

**Bold Faith** Ben Pugh, 2017-03-09 Bill Johnson Joyce Meyer Heidi Baker The fame of these names is evidence enough that though the controversies are less intense the Charismatic Movement is alive and well today It continues to attract thousands of adherents who find its vision of a supernatural lifestyle uniquely compelling Now for the first time all that is most theologically innovative about the movement is synthesized into five distinct and original ideas These five brand new theologies have been created not by theologians but by practitioners who believed their concepts were inspired by the Spirit Inner Healing Shepherding Word of Faith Spiritual Warfare and Signs and Wonders Plenty of studies have been written by Pentecostal scholars about Pentecostal theology but these tend to group the very distinct approaches of Charismatics together with Classical Pentecostals Bold Faith aims to analyze and evaluate the ways in which practitioners within independent Charismatic networks especially in their Anglo American expressions have responded to the challenges of secular modernity **The Believer's Guide on Personal Evangelism** John Thomas Wylie, Wylie, 2019-05-22 One needs to

go to the New Testament and the Gospels specifically to truly observe the evangelistic plan of Jesus After all they are the main eye witness accounts that we have of the Savior Jesus at work Luke 1 2 3 John 20 30 21 24 1 John 1 1 Certainly the Gospels were composed fundamentally to indicate to us Jesus Christ the Son of God and that by faith we can have life in his name John 20 31 Be that as it may what we neglect to acknowledge once in a while is that the revelation of that life in Christ

incorporates the manner in which he lived and trained others to live We should remember that the witnesses who composed the books were not just witnesses to the truth they were changed by it The task of The Believer s Guide On Personal Evangelism is to bring people to faith in Jesus Christ An individual should unmistakably and coherently present the need for Jesus Christ and the provision God has made to address that issue While there are numerous approaches this book puts forward the plain facts and the directness of the straightforwardness simplicity of the gospel of our Lord and Savior Jesus Christ **The Christian Advocate** ,1904 Larry Moyer's How-to Book on Personal Evangelism Richard Larry Moyer,R.
