

JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

share their experience and findings on pedagogical innovations and research informed practices on school science practical work The book highlights trends and patterns in the enactment and role of practical work across African countries Practical work is regarded as intrinsic to science teaching and learning and the form of practical work that is strongly advocated is inquiry based learning which signals a definite paradigm shift from the traditional teacher dominated to a learner centered approach The book provides empirical research on approaches to practical work contextual factors in the enactment of practical work and professional development in teaching practical work This book will be of great interest to academics researchers and post graduate students in the fields of science education and educational policy **Quality education**

Muchativugwa L. Hove, Martha Matashu, 2021-11-30 This book investigates the intersections between education social justice gendered violence and human rights in South African schools and universities The rich and multifarious tapestry of scholarship and literature emanating from South African classrooms provides a fascinating lens through which we can understand the complex consequences of the economies of education social justice imperatives gendered violence in the lives of women and children and marginalised communities The scholarship in the book challenges readers to imagine alternative futures predicated on the transformational capacity of a democratic South Africa Contributors to this volume examine the many ways in which social justice and gendered violence mirror express project and articulate the larger phenomenon of human rights violations in Africa and how in turn the discourse of human rights informs the ways in which we articulate interrogate conceptualise enact and interpret quality education The book also wrestles with the linguistic contradictions and ambiguities in the articulation of quality education in public and private spaces This book is essential reading for scholars seeking a solid grounding in exploring quality education the instances of epistemic disobedience the political implications of place and power and human rights in theory and practice **Whose History Counts** June Bam, Lungisile Ntsebeza, Allan Zinn, 2018-11-29 Originally planned as a fact based book on the pre colonial history of the Eastern Cape in the true tradition of history this ground breaking book focuses on epistemological and foundational questions about the writing of history and whose history counts Whose History Counts challenges the very concept of a pre coloniale and explores methodologies on researching and writing history **A Theory of Applied Linguistics** Albert Weideman, 2024-08-21 This book adopts as

conceptual focus the technical mode of experience exploring this characteristic mode of design as the angle from which the discipline of applied linguistics takes its cue What makes applied linguistic concept formation possible A number of elementary concepts and ideas are so basic to the discipline that they can neither be ignored nor avoided These primitives are identified by examining the connections among the technical and other modalities such as the spatial the physical the social economic aesthetic juridical and the ethical A theory of applied linguistics must be robust enough to do justice to different modernist and postmodernist paradigms operating in the discipline systematically identifying and assessing their strengths and blind spots The book offers a response to the question of the usefulness of theory The principles of design

revealed in the theoretical analysis are given shape in developing imaginative language interventions to solve vexing language problems not for the sake of theory but for the benefit of those affected The book is intended for use both as a reference and as a comprehensive unifying perspective of what the field is by scholars in applied linguistics and related fields TESOL ESL ESP EAP SLA studies language assessment and testing language policy development by postgraduate students or those who teach or study applied linguistics
