paranormal shifter romance Georgette St. Clair, Chloe Novak may be the world's clumsiest cat shifter. In fact, she's the only panther she's ever heard of that doesn't land on its feet. She may hide her looks behind her glasses, lumpy cardigans, and stacks of books. However, she's got her beautifully creaky old house and her university job, and she's content until billionaire panther shifter Kenneth Chamberlin strides through her office door with an offer she literally can't refuse if she ever wants to see her grandmother alive again. The problem is the Chamberlin family are the ones who ruined her family's life and reputation, and the sinfully handsome Kenneth makes her tingle in all the right places. How can she work with him in close quarters and keep her heart and her sanity intact? Clair, Most shifters give near feral Alpha Prime Creel a wide berth and he likes it that way. At least that's what happens until he wakes up with a crazy woman in his bed who insists that they're mated and seems to know everything about him, right down to the scar on his inner thigh. Sure, Miranda's curves are sexy as sin and her scent makes his wolf howl with desire, but bitter experience has taught him what happens when he lets anyone get too close. Creel's still reeling from a devastating betrayal and he's vowed to live out his life alone. He should be relieved when Miranda's pack drags her away. So why does he find himself tearing a car apart to rescue her? Why is he offering his protection even though he can't offer his heart? And will he open himself up to her before secrets from their past threaten to destroy them and their new territory?
