

Grade 11 History Essay

IDEAS OF RACE IN THE LATE 19th AND EARLY 20th CENTURIES

To what extent do you agree that the biggest challenge facing an Aborigine in Australia during the 19th and 20th centuries was the color of his skin (his race).

SYNOPSIS

Learners must discuss the extent of the impact of the British colonial policy in Australia on the lives of Aborigines during the 19th and 20th centuries.

KEY ASPECTS

British colonisation of Australia in 1788, first encounters with Aborigines, British authorities views of Aborigines, the effects of British settlement on the aboriginal population, race theories in Australia in 19th and 20th centuries.

ELABORATION (learners had to elaborate on the following):

- Britain began to colonise Australia in 1788.
- Large numbers of poor people in Britain were convicted of minor crimes and sent to Australia – therefore creating a large prison population.
- The British encountered the indigenous Aborigine population who were large in numbers and who lived in a widespread area.
- The British authorities failed to recognise the Aborigines as human beings and the introduction of their racial policies led to a significant decrease in their numbers.
- Relations between the Aborigines and the British turned hostile.
- Aborigines were forced from their land and forced into reservations where many died of starvation.
- They were treated in a very inhumane manner.
- Aborigines were hunted for sport or poisoned.
- Many of them killed in wars, massacres, or due to diseases introduced by the Europeans.
- Australian authorities justified their actions in terms of pseudo-scientific race theories.
- Aborigines were believed to be biologically inferior and did not need to be treated as humans.
- Australian colonial policy allowed Aborigines to be treated like animals.
- Many were subjected to 'scientific' research to establish if they were closer to apes than humans.
- Overall, they were viewed as unfit, and unworthy members of society and endured a lot of discrimination.
- Interracial marriages were forbidden, segregation was introduced, and, in some cases, women were sterilised.
