Dangerous Allies Malcolm Fraser, Cain Roberts, 2016-04-12 Australia has always been reliant on great and powerful friends for its sense of national security and for direction on its foreign policy first on the British Empire and now on the United States Australia has actively pursued a policy of strategic dependence believing that making a grand bargain with a powerful ally was the best policy to ensure its security and prosperity *Dangerous Allies* examines Australia's history of strategic dependence and questions the continuation of this position It argues that international circumstances in the world and in the Western Pacific especially now make such a policy highly questionable Since the fall of the Soviet Union the United States has also changed dramatically making it less relevant to Australia and a less appropriate ally on which Australia should rely Malcolm Fraser argues that Australia should adopt a much greater degree of independence in foreign policy and that we should no longer merely follow other nations into wars of no direct interest to Australia or Australia's security He argues for an end to strategic dependence and for the timely establishment of a truly independent Australia

The Riggs War, 1913 to 1916 Paul Ryscavage, 2017-08-25 In 1913 President Woodrow Wilson opened the nation's door to an era of reform To help him he brought to Washington men imbued with a progressive spirit and in some grudges as well Before work on reforms got underway two high ranking officials of the Treasury Department attacked a local bank over its banking practices The bank officers had close ties to Wall Street the Treasury officials were no friends of Wall Street with scars to prove it Aggressive bank examinations hostile interviews and accusatory letters ensued eventually resulting in the bank filing an injunction against the government But after an acrimonious court hearing the injunction appeared to have failed Indeed a grand jury indicted the bank officers of perjury In 1916 a three week criminal trial of the bankers took place in which former Presidents Taft and Roosevelt appeared on behalf of the bankers It was a cause celebre in the nation's capital and much of the country When the verdict was reached it was clear bad blood had been spilled everywhere and this nasty little war had been more than just about reform

Elleman,2024-12-03 A short but highly relevant history of the Cold War 1919 1994 and its significance today The 75 year Cold War pitted the Anglo American world against the Soviet Bloc with China the ultimate prize Chapter A will examine the creation of the Anglo American Special Relationship the end of World War I 1919 Versailles Peace Treaty and the lead in to World War II Chapter B will examine the Bolshevik revolution 1919 Comintern creation 1924 Soviet Bloc creation the tumultuous 1930s World War II plus Soviet competition with America and England through 1949 Chapter C will discuss a China torn between West and East finally joining the Soviet bloc in 1949 but by 1979 rejoining the West and cooperating to destroy the USSR from 1979 to 1994 when the final Russian troops left Germany In the Conclusion the Cold War s impact and strategic significance today will be discussed From 1979 to 1994 the U S government attempted to use its relations with China to exert diplomatic economic and military pressure on the USSR Beginning in the late 1970s and continuing through the 1980s China began to import high technology equipment from the United States to fill key sensor and weapon roles With the end of the Cold War in particular the Soviet navy was eliminated almost overnight as the world s second most powerful naval force Russia s Pacific fleet is now so poorly supplied and equipped that it rarely leaves port This unprecedented reversal of fortunes has created a maritime vacuum throughout East Asia that China hopes to fill In recent years however the former Sino U S cooperation has changed as rising Chinese sponsored tensions in the South China Sea have led to many possible points of alliance between Beijing and Moscow Joint Sino Russian Naval Exercises are just one example Vladimir Putin and Xi Jinping appear to once again be combining against the Anglo American led West Will history rhyme as Mark Twain says allowing the Anglo American West to win Cold War II or will events turn out differently this time *Turkey and the US in the Middle East* Gürcan Balik,2016-05-26 Written by the former chief foreign policy advisor to the Turkish president and based on unprecedented access to official documents and communiqués this book gives the inside story of Turkish US relations from the first Gulf War through debates on the Iraqi Kurdish question the 2003 invasion of Iraq and into the present day Using events in Iraq as the basis for a theoretical case study Gurcan Balik argues that Turkey influenced US foreign policy on several key occasions and that Turkish support was instrumental in the first intervention in Iraq After Iraq s 1991 uprisings however Turkey s interests in the Middle East began to diverge from those of the US and their relationship gradually deteriorated evident in Turkey s refusal to open up its northern border to aid the US advance to Baghdad in 2003 Balik contends that an Iraq gap then emerged which has since had major implications for the Turkish economy and for the future of the Middle East Turkey and the US in the Middle East contains hitherto unpublished primary source material and is an essential addition to the scholarship of the period The Oxford Handbook of Financial Regulation Niamh Moloney,Eilís Ferran,Jennifer Payne,2015-08-27 The financial system and its regulation have undergone exponential growth and dramatic reform over the last thirty years This period has witnessed
