Hood's Texas Brigade Susannah J. Ural, 2017-11-13 The Texas Brigade of the Army of Northern Virginia was one of the best units to fight on either side in the American Civil War Three factors made that success possible their strong self identity as Confederates the mutual respect shared between the brigade's junior officers and their men and a constant desire to maintain their reputation not just as Texans but also as the best soldiers in Robert E Lee's army and all the Confederacy Hood's Texas Brigade is a study of the soldiers and families of this elite unit that challenges key historical arguments about soldier motivation volunteerism and desertion home front morale and veterans postwar adjustment An analytical dictionary of the English language David Booth, 1830
