The Triangle of Master G Konstantin Serebrov, 2023-09-18 This book is in memory of Vladimir Stepanov a k a Master G
Epitaph The Lord s knight Master G you ve been accepting everyone coming to you as you followed the word of the Lord You
ve been warming us by the warmth of your heart and tirelessly have been admonishing us to study ourselves and the Holy
Scriptures and to aspire to God s Holy Spirit The Author s Introduction The concept of inner development has always
attracted me Since my early childhood I have wanted to plunge into the mystery of our existence to look behind so to say an
unseen curtain which limits our perception The majority of people do not believe that there is mystery behind the visible
world Therefore I could discuss these matters and my experiences with just a few friends who just like me had more
questions than answers I once met a person who pointed out to me a very unusual spiritual Path to which my heart felt
irresistibly attracted However it took me a year to put aside my old views and intentions and leave behind my old life and
follow him on his continuous journey The adventures and new experiences and the growth of my being were necessary in
order to accept an incomprehensible teaching that this man has been carrying in his heart The best definition of this teaching
could be in my opinion Russian Christian Hermeticism and its main practice was spiritual alchemy However it did not seem
to me appropriate to write another condensed and incomprehensible alchemical treaty and I just described it all as it
happened Finally I should like to express my gratitude to my friends Gouri and Maria for their help in writing this book They
did a great job of preparing and editing the materials for this book and Gouri in addition to it has enriched the text with many
details which had almost disappeared from my memory Konstantin Serebrov Moscow January 2001 Brinkman's
