Bullets to Bandages

Mark Terris, 2017-04-17 *Bullets to Bandages* Life Inside the Israel Defense Forces The Israel Defense Forces IDF is a renowned fighting force It has defended a young vulnerable country from repeated attacks In the process it has produced great generals and statesmen *Bullets to Bandages* is set in the

late 1970s at a time when many Western armies viewed the IDF as a heroic and idealistic force *Bullets to Bandages* explores the daily life inside the Israel Defense Forces These are true stories that center on the experiences of four Israeli soldiers and three close friends and provide the reader with an intimate view of life in the Israeli army the meaning of army friendships and our own coming of age Life in the IDF is in many ways similar to other armies with a lot of chicken shit annoying military nonsense Good shoe polishing skills are valued over combat readiness Soldiers are chronically sleep deprived often standing for midnight inspections and enduring nightlong stretcher marches And yet there is a more humane side Everyone regardless of rank is addressed by his or her first name Commanders lead by example not by threat Beneath the uniform soldiers are eighteen to twenty one year old men and women still fighting acne and constantly fantasizing about sex You will witness the induction experience which transformed us from teenagers into serial numbers Other experiences included basic training paratrooping artillery and air force with the unique traditions of each corps We evolved from new recruits to sergeant major slaves to combat medic students and finally to commanders Along the way we internalized accepted and eventually perpetuated the IDF's traditions Life in the Israel Defense Forces is not always fun The physical hardships are real and the stress challenges your resolve and morale As young men we did not verbally express our feelings which were often tainted by our raging hormones but broadcasted them through our actions Humor and friendship allowed us to thrive in this environment We matured and ultimately put our hearts and souls into the Israel Defense Forces and this is the true secret behind the IDF's success
