**How Should Men Lead Their Families?** Joel R. Beeke, 2014-12-11 God's Word teaches us that Jesus Christ was ordained by God and anointed by the Spirit for His work as prophet priest and king of His children. Those who are in union with Him share His offices in a limited but important way. In this booklet Joel Beeke explains how husbands and fathers should lead their families as prophets, priests, and kings. Filled with biblical wisdom and practical application, *How Should Men Lead Their Families* is a helpful guide for men who desire to bear the image of the Father of glory and of the heavenly Husband as they lead, teach, love, evangelize, protect, and rule over their wives and children. [A Practical Theology of Family Worship](#) Jonathan Williams, 2021-08-31 Baxter's belief in the importance of family worship meant every family in some Kidderminster streets upheld the practice. Williams examines Baxter's methods and shows how they can work in churches today. *Marriage Counseling Manual, Form #17.063* Brook Stockton, 2023-08-03 Marriage counseling manual for pastors. *Rise Up, O Men of God* L. Dean Allen, 2002 L. Dean Allen analyzes both groups' constructions of masculinity and social ethics in relation to the family, the church, and a prominent social issue. Evangelical Christian leaders designed both organizations in response to their alarm at men's absence from evangelical churches and they sought to increase men's participation in churches and to improve society as a whole by their efforts. Each group faced important social changes during its era, such as new economic realities, women's activities, and perceived moral crises. Despite their similarities as groups for evangelical Christian men only, MRFM and PK developed contrasting constructions of masculinity and divergent social ethical calls for action. **BOOK JACKET** [Love's Hidden Symmetry](#) Bert Hellinger, Gunthard Weber, Hunter Beaumont, 1998 **A Public Faith** Michael Cromartie, 2003 The essays in this volume take another look at the role of evangelicals in American civic life. The prominent contributors examine evangelicals' beliefs and activity on topics ranging from bioethics to race relations and welfare reform to international human rights. Taken together, the essays show that contrary to what critics have proclaimed, the social commitment of evangelicals extends considerably beyond family-related issues and that their activity in the public sphere makes an essential contribution to the public good. Co-published with the Ethics and Public Policy Center. **How to Understand the Man You Love** Rick Johnson, 2020-07-21 Men are fairly simple creatures with fairly simple needs. Yet women often find themselves frustrated trying to understand those needs in order to improve their marriages. Relationship expert Rick Johnson ends the guessing game, giving women an open and honest look inside the world of a man's needs and helping them understand how best to use their influence to have a satisfying and exciting relationship. **Divine Hierarchy** Conrad Riker, 101-01-01 Are you tired of the chaos in the modern world?
