A ^ANew English Translation of the Septuagint Albert Pietersma, Benjamin G. Wright, 2007-11-02 Translated from Hebrew and Aramaic originals in the two centuries before Jesus the Septuagint provides important information about the history of the text of the Bible For centuries scholars have looked to the Septuagint for information about the nature of the text and of how passages and specific words were understood For students of the Bible the New Testament in particular the study of the Septuagint s influence is a vital part of the history of interpretation But until now the Septuagint has not been available to English readers in a modern and accurate translation The New English Translation of the Septuagint fills this gap
