Cohen, 2023-10-10 Unlock the power of Pages for Mac and iPad Version 4.0 updated October 10, 2023 Discover how to make the most out of Pages In this fully revised fourth edition Michael E. Cohen digs deep into Pages unearthing the nuggets of knowledge you need to make your work shine Create complex documents of all sorts on your Mac or iPad sync them via iCloud and share them with other people on Apple's

Pages word processor is a big rich app with hundreds of features tucked away in nooks and crannies making Michael E Cohen's comprehensive book an essential resource for newbies and experts alike. Whether you prefer to dive into the details or get quick help with a particular feature, this book has got you covered. Note: This edition of the book focuses primarily on the Mac and iPad versions of Pages, although it does cover the iPhone and web versions of the app to a limited extent. In this thoroughly revised fourth edition, Michael expands his already extensive guide detailing all the changes Apple has made to Pages since the last version of the book was released, including support for macOS 14 Sonoma and iPadOS 17. Among many other new and updated features, learn about using Mail Merge, adding and working with 3D images, and collaborating with other users on a document. You'll also learn how to find features that have been moved or renamed. With Michael's help, you can navigate Pages like a pro. You'll also learn how to find all the tools you need, whether on a Mac or an iPad. Do everyday word processing, including working with fonts, tabs, indents, rulers, search, and replace, spell checking, and more. Format longer, more complex documents with customized headers, footers, page numbers, tables of content, footnotes, and section breaks. Manage styles, including paragraph styles, character styles, list styles, and object styles. Create your own templates, complete with layout objects. Master the many multi-touch gestures in iPadOS that give you pinpoint control over page elements. Include complex tables and charts and make them look exactly the way you want. Customize layout and manipulate graphics like a pro. Collaborate with others in real time using iCloud. Share your documents across devices using Mac, iPad, iPhone, or almost any web browser.

Take Control of Your Paperless Office, 4th Edition Joe Kissell, 2024-02-02. Digitize your documents and reduce paper clutter. Version 4.0.1 updated February 2, 2024. The paperless office doesn't have to be a myth. Turn paper into usable digital files, reducing clutter and increasing convenience. This book helps you assess your situation, develop a strategy, and learn clever techniques for keeping more paper at bay, with detailed discussion of the hardware, software, and processes needed to get the job done. Join Joe Kissell as he helps you clear the chaos of an office overflowing with paper. With Joe's guidance, you can develop a personal clean-up strategy and choose your tools, including a scanner and the software you need to perform OCR (optical character recognition). You'll also learn about devices and services for storing your digitized documents and document management apps that help you categorize, locate, and view your digital document collections. Once you have your gear in hand, Joe shows you how to convert your paper documents to digitized files and gives you ideas for how to organize your office workflow, explaining how to develop day-to-day techniques that reduce the amount of time you spend pressing buttons, launching software, and managing documents. You'll also master paper-reducing skills, such as scanning or photographing documents you find while out and about, business cards, receipts, menus, flyers, and more, so you keep only digitized versions. Joe discusses a variety of mobile scanning options for iOS, iPadOS, and Android. Creating a digitized image of your signature so you can sign and share documents digitally, rather than printing them for the sole purpose of signing them with a pen. Using paperless options for bills, invoices, bank statements, and the like. Cutting down on

unwanted catalogs and junk mail Switching to mostly paperless postal mail Using your computer to send and receive faxes without a fax machine fax modem or separate phone line Amazingly some people still need to do this even in the 21st century The book contains answers to numerous questions including What is a searchable PDF and why is it key to a paperless office What differentiates document scanners from other types of scanners What s a book scanner What if I need a mobile portable scanner What does TWAIN stand for and should my scanner support it Why do I need OCR software and what features should I look for How do I choose a good scanner and OCR software How should I name and file my digitized documents What are my options if I need to edit a scanned PDF How can I automate my workflow for scanning documents What paper documents should I keep in physical form How do I use common tools to add a signature to a PDF How can I access my digital documents remotely How should I back up my important digital documents
