| Duty cycle (monthly, A4)             | Up to 8000 pages                                                                                                                                                                                                                                                                                                          |
| Duty cycle note                      | Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups. |
| Recommended monthly page volume      | 500 to 2000                                                                                                                                                                                                                                                                                                               |
| Recommended monthly page volume note | HP recommends that the number of pages per month of imaged output be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.                                                                                  |
