Human Right Watch Report 2008:

Understanding Russian Politics Stephen White, 2011-03-31 A fresh and compelling interpretation of Russian politics by a leading authority this textbook focuses on political developments in the world's largest country under Putin and Medvedev Using a wealth of primary sources it covers economic social and foreign policy and the system of politics that has developed in recent years Opposing arguments are presented and students are encouraged to reach their own judgements on key events and issues such as privatisation and corruption This textbook tackles timely topics such as gender and inequality issues organised religion the economic crisis and Russia's place in the international community It uses numerous examples to place this powerful and richly endowed country in context with a focus on the place of ordinary people which shows how policy is translated to Russians everyday lives

Cluster Munitions and International Law Alexander Breitegger, 2012-03-12 This book offers a comprehensive argument for why pre-existing international law on cluster munitions was inadequate to deal with the full scope of humanitarian consequences associated with their use The book undertakes an interdisciplinary legal analysis of restraints and prohibitions on the use of cluster munitions under international humanitarian law human rights law and international criminal law as well as in relation to the recently adopted Convention on Cluster Munitions CCM The book goes on to offer an in-depth substantive and procedural analysis of the negotiations which led to the 2008 CCM in part based on the author's experiences as an adviser to Cluster Munitions Coalition Austria Cluster Munitions and International Law is essential reading for practitioners and scholars of International Law including International Humanitarian Human Rights International Criminal or Disarmament Law and anyone interested in legal and humanitarian perspectives on cluster munitions legislation and policy It is unique in bringing a practitioner's perspective to a scholarly work

Kurds and Yazidis in the Middle East Günes Murat Tezcür, 2021-01-28 The diversity of Kurdish communities across the Middle East is now recognized as central to understanding both the challenges and opportunities for their representation and politics Yet little scholarship has focused on the complexities within these different groups and the range of their experiences This book diversifies the literature on Kurdish Studies by offering close analyses of subjects which have not been adequately researched and in particular by highlighting the Kurds relationship to the Yazidis Case studies include the political ideas of Ehmede Xani the father of Kurdish nationalism Kurdish refugees in camps in Iraq the perception of the Kurds by Armenians in the late Ottoman Empire and the Turks in modern Western Turkey and the important connections and shared heritage of the Kurds and the Yazidis especially in the aftermath of the 2014 ISIS attacks The book comprises the leading voices in Kurdish Studies and combines in-depth empirical work with theoretical and conceptual discussions to take the debates in the field in new directions The study is divided into three thematic sections to capture new insights into the heterogeneous aspects of Kurdish history and identity In doing so contributors explain why we need to pay close attention to the shifting identities and the diversity of the Kurds and what implications this has for Middle

Post-Independence Timor-Leste Through Local Perspectives Ying Hooi Khoo, Antero Benedito da Silva, Therese Nguyen Thi Phuong Tam, 2021-10-30 This book offers perspectives from the ground on human rights and peace in Timor Leste By highlighting the local voices this book draws on their experience and expertise in engaging with questions concerning the nexus between human rights peace and development It posits that these concepts no longer mean absence of conflict and argues that sustainable peace must be built from rights frameworks to protect the locals interests in the processes Acknowledging the lack of autonomy on local actors in peace making contexts the book emphasizes the urgent need to facilitate the creation of political and social structures that can support and offer contextual rights and dignity for the Timorese community **Child Soldiers** David M. Rosen, 2012-04-23 This book exposes the role of children in war describing where why and how children are deployed the attempts made by international organizations to protect children and the underlying political and cultural issues that make this such a thorny issue In conflict torn countries such as Myanmar and Uganda the use of child soldiers in military and paramilitary operations continues to occur despite widespread condemnation and the efforts of organizations such as the Coalition to Stop the Use of Child Soldiers This book will allow readers to grasp the impact of this issue for both individuals and nations worldwide *Child Soldiers A Reference Handbook* traces the evolution

of child soldiers from approximately 1940 onwards covering important historical to modern conflicts The subject is discussed from a global perspective with particular attention given to areas where the use of child soldiers is most prevalent The book covers the complex underlying reasons for the continued use of child soldiers in the modern world examines the political and psychological consequences of using children both male and female in military and paramilitary organizations and describes how this subject has been addressed by international law and various human rights organizations

Preventing Radicalisation and Terrorism in Europe Maria Luisa Maniscalco,Valeria Rosato,2019-09-19 Within the general framework of the European TRIVALENT project the comparative analysis presented here focuses alongside policy measures taken at EU level on counter terrorism and counter radicalisation policies implemented by five European countries namely Belgium France Italy Spain and the United Kingdom These case studies with their peculiarities and differences offer insights into the role of long term and structural factors in defining counter terrorism and counter radicalisation policies and highlight the influence that specific occurrences can have The volume analyses different types of public policies including repressive preventive legal and administrative measures together with the role of civil society in preventing and mitigating radicalisation processes The book offers an updated and critical assessment of the main anti terrorism and anti radicalisation policies of the five aforementioned countries and their strengths and weaknesses identifying possible evolutionary lines and proposing a series of recommendations

India's Childhood in the "pits",2010 **China 2020** Michael A. Santoro,2015-01-26 Chinese society is plagued by many problems that have a direct impact on its current and future business and political environment worker rights product safety Internet freedom and the rule of law Drawing on knowledge gained through personal interviews documentary sources and almost two decades of visits to China Michael A Santoro offers a clear eyed view of the various internal forces such as regionalism corruption and growing inequality that will determine the direction and pace of economic social and political change Of special interest is Santoro s assessment of the role of multinational corporations in fostering or undermining social and political progress Santoro offers a fresh and innovative way of thinking about two questions that have preoccupied Western observers for decades What will be the effect of economic reform and prosperity on political reform How can companies operate with moral integrity and ethics in China In China 2020 Santoro unifies these hitherto separate questions and demonstrates that moral integrity or lack of it by Western business will have a profound impact on whether economic privatization and growth usher in greater democracy and respect for human rights Offering a novel vision of China s future economic and political development Santoro rejects the conventional view that China will muddle through the next decade with incremental social and political changes Instead he argues that China will follow one or two widely divergent potential outcomes It might continue to progress steadily toward greater prosperity democracy and respect for human rights but it is also highly likely that China will instead fall backward economically and into an ever more authoritarian regime The next decade will be one of the most important in the history of China and owing

to China's global impact the history of the modern world China 2020 describes various tectonic social and political battles going on within China The outcomes of these struggles will depend on a number of powerful indigenous forces as well as the decisions and actions of individual Chinese citizens Santoro strongly believes that Western businesses can and should influence these developments *Ukraine Over the Edge* Gordon M. Hahn, 2018-02-08 The Ukrainian crisis that dominated headlines in fall 2013 was decades in the making Two great schisms shaped events one within Ukraine its western and southeastern parts divided along cultural and political lines the other was driven by geopolitical factors Competition between Russia and the West exacerbated Ukraine's divisions This study focuses on the historical background and complex causality of the crisis from the rise of mass demonstrations on Kiev's Maidan Nezalezhnosti Independence Square to the making of the post revolt regime In the context of a new cold war the author sheds light on the role of radical Ukrainian nationalists and neofascists in the February 2014 snipers massacre the ouster of President Viktor Yanukovich and Russia's seizure of Crimea and involvement in the civil war in the eastern region of Donbass Research Handbook on International Drug Policy David R. Bewley-Taylor, Khalid Tinasti, 2020-09-25 Analysing arguably one of the most controversial areas in public policy this pioneering Research Handbook brings together contributions from expert researchers to provide a global overview of the shifting dynamics of drug policy Emphasising connections between the domestic and the international contributors illustrate the intersections between drug policy human rights obligations and the 2030 Sustainable Development Agenda offering an insightful analysis of the regional dynamics of drug control and the contemporary and emerging problems it is facing

consultant prepares the first responder to handle everything from re establishing control and on scene triage to investigating the crime Including information on pre incident and avoidance tactics the author also discusses monitoring and detection techniques protective equipment and decontamination and an extensive list of resource organizations and training opportunities This up to date 3rd edition is written to provide concise information for emergency responders who might be called upon to confront explosive chemical nuclear biological or incendiary acts of terrorism

The African Charter on the Rights and Welfare of the Child Virginia Paola Lalli,2018-11-21 The 1989 International Convention on the Rights of the Child CRC and the 1990 African Charter on the Rights and Welfare of the Child ACRWC are two major international treaties protecting minors Each treaty gives rise to new perspectives on children s rights and enshrine the principles of the best interests of the child and of children s ownership of rights The ACRWC incorporates the CRC s rights while taking into consideration the specificity of the African context striving to balance the rule of law with local customs This book seeks to illustrate the rights and duties enshrined in the ACRWC as well as the responsibilities established therein regarding the protection of minors The role of the African Committee of Experts on the Rights and Welfare of the Child ACERWC will also be examined in particular its activity of monitoring the States Parties implementation of the ACRWC and its institutional powers in exercising its powers Finally the book will analyse the progress made by the States Parties to the treaties The focus will be both on the formal aspect of harmonizing national legal systems and the international rights and on the substantive steps required of States Parties to reach the opinion of law or necessity that the ACRWC s provisions should be perceived first and foremost as necessary and socially useful as well as legally binding

Myths of Peace and Democracy? Towards Building Pillars of Hope, Unity and Transformation in Africa Mawere, Munyaradzi,Marongwe, Ngonidzashe,2016-09-01 The myths of peace and democracy in Africa are at the heart of this volume Democracy and peace have become buzz words across postcolonial Africa The gospel of democracy and peace is preached by national governments and by civil society and international organisations alike But to what extent are the ongoing sideshows and charades of quasi oligarchies in Africa really democracy What do ordinary Africans mean when they hunger and thirst for democracy and peace Positive and noble as the loud sounding rhetoric about democracy and peace in Africa might seem the reality of propaganda and dissemblance and of multi dimensional violence are simply too overwhelming not to be disillusioning This book interrogates the rampant violence enduring conflicts autocratic governance and facades of democracy amidst claims and calls for enduring peace on the continent This is a monumental resource book for human rights activists conflict management practitioners civil society activists political scientists statesmen and development practitioners It poses a challenge to those African governments who claim to embrace principles of democracy and respect for human rights to rethink and reconsider their role as ambassadors of peace hope transformation and good governance

International Water Law and the Human Right to Water Imad Antoine Ibrahim,2024-11-19 This book examines the development of international law

applicable to Transboundary Aquifers TBAs considering the Human Right to Water and Sanitation HRWS The purpose is to determine how International Water Law IWL and the HRWS can be harmonized in the context of TBAs This is important given rules and instruments adopted to address this topic are relatively nascent and the field itself is still in the process of developing regulatory frameworks Taking the application of the HRWS to shared aquifers as a case study the work discusses whether IWL and International Human Rights Law complement each other The response to this question requires an analysis of the development of International Groundwater Law and its challenges the evolution of the HRWS the nature of transboundary groundwaters and the interplay between these two fields The author argues that IWL agreements should contain a provision related to the HRWS to ensure the protection of this right with a stipulation included in the nonbinding instrument that tackles shared groundwaters the Draft Articles on the Law of Transboundary Aquifers adopted in 2008 through the United Nations General Assembly Resolution The book will be of interest to international lawyers water and human right experts geologists and anyone interested in water and human rights issues

Do African Children Have Rights? Stephen Nmeragini Achilihu, 2010 The United Nations 1989 Convention on the Rights of the Child CRC constitutes a landmark in the development of international human rights law and reflects an historic turn in universal thinking about children and their rights Many children in Africa today face the future with a deep sense of uncertainty and foreboding Many have no hope of education and the issues of child trafficking sexual exploitation and child labour reflect a profound crisis of the family The current socio economic situation has radically changed the world views and the life expectations of the African child This book attempts to respond to some of the questions that could be asked to what extent have the provisions of the CRC been implemented in the national legislations of African States What effect have they had on children in Africa What mechanisms exist to prevent and sanction rights abusers Are children s rights in Africa reality or simply rhetoric
