Humanity S Saving Grace:

Total Atonement W. Ross Hastings, 2019-10-09 Total Atonement re imagines the apprehended mystery of the atonement in light of the triune nature of God and the person and work of the incarnate Christ W Ross Hastings proposes participation as a theory or framework of atonement that holds all other models within it He argues that God s participation in humanity in order that humans might participate in God invites a total approach to the mystery of the atonement that is one that involves the whole Trinity the whole person and history of Christ and all the biblical motifs and theological models of atonement including penal substitution properly nuanced to overcome its caricatures Christus victor satisfaction vicarious life and moral exemplar Hastings re examines the scope of the atonement in light of these Trinitarian incarnational realities Humanity's Saving Grace Alex Binkley, 2013-10 Having barely avoided self destruction an ancient race has expanded to eight other worlds While the Beings explored Earth numerous times during two centuries with their flying saucers they didn t consider the primitive Terrans worth contacting That changes when their worlds came under attack from a relentless mysterious foe The aliens offer to repair Earth s ravaged environment in exchange for pilots and soldiers to fight their foe The First Earth Expeditionary Force battles in space and on the ground while trying to comprehend how thousands of humans had been conscripted into fighting for the enemy Equally puzzling for FEEF is figuring out the motives of robot like creatures that serve the aliens and discovering the origin of centuries old ruins on several planets and a seemingly uninhabited community under a protective dome Saved Fr. Mitch Pacwa, S.J., 2017-05-05 For God so loved the world that he gave his only Son John 3 16 What does it mean to be saved Can I know that I am saved As Christians and especially as Catholics we face these questions on a daily basis not only from the people we meet but also in our own hearts Scripture provides the answer for the Bible isn t simply a collection of disjointed tales it is the story of our salvation In this Bible study Fr Mitch Pacwa guides us through Catholic teaching on salvation as found in Scripture With his characteristic wisdom he tackles tough topics and questions including grace and free will repentance and faith the role of the sacraments and the necessity of good works Perfect for a parish small group study or for personal reflection each of the six sessions in Saved A Bible Study Guide for Catholics will help us begin to discover the infinite mystery of our salvation deepening our relationship with the God who saves us **Recovering the Ecumenical Bonhoeffer** Javier A. Garcia, 2019-10-14 In Recovering the Ecumenical Bonhoeffer Javier Garcia explores the possibilities for Dietrich Bonhoeffer s theology to revitalize interest in the ecumenical movement and Christian unity today Although many commentators have lamented the waning interest in the ecumenical movement since the 1960s the celebration of the 500th anniversary of the Protestant Reformation in 2017 coupled with recent in roads such as the ecumenical efforts of Pope Francis have opened new possibilities for the ecumenical project In this context Garcia presents Bonhoeffer as a helpful model for contemporary ecumenical dialogue He finds important points of convergence between Bonhoeffer and Calvin thereby establishing potential areas of rapprochement between the Lutheran

and Reformed traditions Beyond examining the state of ecumenism and unfolding the ecumenical promise of Bonhoeffer's thought Garcia assesses the future of ecumenical engagement in a secular age Altogether he proposes a recovery of the ecumenical Bonhoeffer for envisioning new possibilities for church unity in our day *The Judgment of Love* James M. Matarazzo Jr, 2018-10-19 This book seeks to explore the concept of divine judgment in Christian eschatology It contends that this judgment is salvific rather than destructive This notion can be described aphoristically as iudicandus est salvandus to be judged is to be saved The provocation to Christian eschatology is that human beings are not saved from judgment but are saved within it The exploration begins defining the context and moves into a review of the symbols and problems of judgment through a reappraisal of De novissimis concerning the last things the last section found in traditional works of Christian dogmatics This is followed by a critical engagement with the soteriological optimism posited by four twentieth and twenty first century theologians Sergei Bulgakov Hans Urs von Balthasar J A T Robinson and Marilyn McCord Adams The event of the judgment is then defined as the event of absolute recognition that it is within the eschatic recognition of God the self and the other that transformation and glorification of human persons occur in a way that avoids a dual outcome of salvation and damnation The book concludes by proposing that we may approach divine judgment with faith hope and love not only for ourselves but for the human race as a whole **The Genius of Protestantism** Robert McCheyne Edgar, 1900 *Railway Conductors' Monthly*, 1909 [The Railway Conductor](#), 1909 **John Wesley's Scriptural Christianity** Thomas C. Oden, 1994 This important work condenses the teachings of John Wesley 18 massive teachings and writings into one remarkably consistent highly accessible volume for the masses This first book in a series is based primarily on Wesley's sermons Later books will deal with his pastoral and ethical teachings Lightning Print On Demand Title *Womb of the Master Builder* Dr. Glennie P. Metz Ph.D. RNC, 2021-04-23 Dr Metz formerly a faculty member and Practitioner at the Stony Brook University is a consummate professional woman of faith educator conference speaker workshop facilitator and more Womb Of The Master Builder the sequel to Womb Of Wisdom and Womb Of The Morning continue to make known that the physical and spiritual womb gives life and nourishment to its dwellers As a human father imparts part of his DNA to his offspring through his sperm at conception God imparts part of His divine nature Holy Spirit regeneration to those who repent are baptized in water and are filled with His Holy Ghost Realize and accepted truth is that God provides everything needed to complete the image of Jesus in the Christian walk A human mother delivers her baby from one stage of development to another In God's Womb His Church believers are carried during their journey from earth to glory *Not Every Spirit* Christopher Morse, 2009-02-01 Not Every Spirit explores the notion of Christian faith as disbelief and how the task of testing the spirits develops and comes to be understood within Christianity as a theological discipline called dogmatics It also focuses on uncovering disbeliefs of the Christian faith concerning the Word of God the being of God Jesus Christ the Holy Spirit creation salvation humanity the church and the life to come This book is a fresh and timely dogmatic text that will take

its place as a standard work on Christian teachings Apostle Paul Udo Schnelle,2013-10-15 Paul's writings are centrally important not only for the establishment of the Christian faith but also for the whole history of Western culture Senior New Testament scholar Udo Schnelle offers a comprehensive introduction to the life and thought of Paul that combines historical and theological analysis The work was translated into clear fluent English from the original German with additional English language bibliographical reference materials by leading American scholar M Eugene Boring First released in hardcover to strong acclaim the book is now available in paperback It is essential reading for professors students clergy and others with a scholarly interest in Paul **The Order of God** Aaron Yom,2018-10-17 In this most up to date study Aaron Yom provides a

comprehensive analysis of the doctrine of God particularly from a pneumatological perspective He focuses on retrieving the order of God that has been consistently misunderstood and mistreated by modern scholars The author carefully examines scholarly works of modern thinkers such as Karl Barth Thomas Torrance Karl Rahner David Coffey Jurgen Moltmann Clark Pinnock and Stanley Grenz as well as ancient masters such as Augustine and Aquinas With a critical analysis he highlights the strengths and weaknesses of their work to lay a foundational platform for understanding God's order in the twenty first century theological context Yom proposes a holistic approach that does not marginalize the logic of the Trinity that begins with God's order of ontology rather than God's order of economy though the former is read from the latter He maintains the intricate balance of the immanent Trinity and the economic Trinity with his newfound principle of identity and duality Yom offers several new theological paradigms for those who are interested in the topic of systematic theology *Tenants of the Trees* Clarence Hawkes,1921 *The Teachings of Modern Christianity on Law, Politics, and Human Nature* John Witte (Jr.),John Witte, Frank S. Mary Shelley: Frankenstein Nicholas Marsh,2009-06-02 This study focuses on how Frankenstein works how the story is told and why it is so rich and gripping Part I uses carefully selected short extracts for close textual analysis while Part II examines Shelley's life the historical and literary contexts of the novel and offers a sample of key criticism 40 Questions About Arminianism J. Matthew Pinson,2022-04-19 The actual life and teaching of Jacobus Arminius are often unknown or misunderstood across many Protestant traditions Answers beyond a basic caricature can be elusive What are the essential historical backgrounds of Arminianism and what theological teachings connect to the Arminian point of view Mixing solid historical research with biblical and doctrinal precision Baptist scholar J Matthew Pinson clarifies the foundations of this influential tradition 40 Questions About Arminianism addresses the following questions and more Who was Jacobus Arminius How has the church interpreted God's desire that everyone be saved How is Arminianism different from Calvinism Can one be both Reformed and Arminian What is universal enabling grace What do Arminians mean by free will Do Arminians believe

Augustine and Politics John Doody, Kevin L. Hughes, Kim Paffenroth, 2005-01-01 The study of Augustine's political teachings has suffered from a history of misreadings both ancient and modern It is only in recent years that the traditional lines of Augustinian pessimism have been opened to question Scholars have begun to explore the broader lines of Augustine's political thought in his letters and sermons and thus have been able to place his classic text *The City of God* in its proper context The essays in this volume take stock of these recent developments and revisit old assumptions about the significance of Augustine of Hippo for political thought They do so from many different perspectives examining the anthropological and theological underpinnings of Augustine's thought his critique of politics his development of his own political thought and some of the later manifestations or uses of his thought in the Middle Ages the Renaissance and today This new vision is at once more bracing more hopeful and more diverse than earlier readings could have allowed
