Eckert,2018-09-27 Crime and Everyday Life offers a bold approach to crime theory and crime reduction Using a clear engaging and streamlined writing style the Sixth Edition illuminates the causes of criminal behavior showing how crime can affect everyone in both small and large ways Renowned authors Marcus Felson and Mary Eckert then offer realistic ways to reduce or eliminate crime and criminal behavior in specific settings by removing the opportunity to complete the act Most importantly this book teaches students how to think about crime and then do something about it *"Life of a Real House Wife"* Angela Stanton King,2019-10-18 Brazen incisive and outrageous Life Of A Real Housewife spans the years of early childhood through adulthood It s an illustration of guts and the determination it takes to overcome tragedies in one s life Her story begins at the tender age of five years old when Angela Stanton sexually abused She takes us into her survival mode on the streets and the adjustments she had to make in her home life The author shares experiences of her teen years growing up in Buffalo NY She leads us on a short stay as a young girl in Greensboro NC The author rapper wife and mother guides us through her struggles into her early adult years in Hotlanta By fate she lives a hustler s life of crime with none other than Real Housewives of Atlanta s own Phaedra Parks By a twist of fate her life crashes sending her on a trip to a darkened place called hell Angela Stanton survives to give a raw revolutionary account of her daring journey to redemption In her sophomore book Lies Of A Real Housewife Angela Stanton opens her past life for public viewing Angela Stanton is a National Best Selling Author Reality Television Star and Owner of Stanton Publishing House She is a dynamic motivational speaker that inspires her audience through her own life challenges Angela is married mother of five that reside in Atlanta Georgia **Militainment, Inc.** Roger Stahl,2009-12-04 Militainment Inc offers provocative sometimes disturbing insight into the ways that war is presented and viewed as entertainment or militainment in contemporary American popular culture War has been the subject of entertainment for centuries but Roger Stahl argues that a new interactive mode of militarized entertainment is recruiting its audience as virtual citizen soldiers The author examines a wide range of historical and contemporary media examples to demonstrate the ways that war now invites audiences to enter the spectacle as an interactive participant through a variety of

channels from news coverage to online video games to reality television. Simply put, rather than presenting war as something to be watched, the new interactive militainment presents war as something to be played and experienced vicariously. Stahl examines the challenges that this new mode of militarized entertainment poses for democracy and explores the controversies and resistant practices that it has inspired. This volume is essential reading for anyone interested in the relationship between war and media and it sheds surprising light on the connections between virtual battlefields and the international conflicts unfolding in Iraq and Afghanistan today.
