Hunger Games Junior Library Guild Guide:

Power Play Liam O'Donnell, 2011-04-01 Devin and Nadia team up with Bounce Pema and Marcus as they all travel to Northern Ontario to watch their parents present to the Summit of World Leaders. A swarm of politicians, lobbyists, corporate bosses, and protestors have all converged on the summit to get their messages heard. A tragic accident just hours before their parents' presentation plunges the kids into their biggest mystery yet and sets them on the trail of a murderer bent on stopping their parents' controversial message from being heard. It's a fight against the planet's power players as the kids dive into the world of politics, uncovering how government works, the history of democracy, the influence of lobbyists and corporations on politicians, and the potential of civil society to change it all. [Revolutionize Youth Book Clubs](#) Stacy Brown, 2024-11-28 Learn to facilitate modern book clubs devoted to elevating the reading experience through active engagement, resulting in long-term commitment to book club events. How do you get the kids in your library to read? The benefits of reading are plentiful, especially for youth; it improves vocabulary, helps them become more empathetic and inclusive, and expands exposure to academic opportunities. In an age of digital distractions, book clubs can be a catalyst for encouraging youth to prioritize reading. These tried and tested strategies help even reluctant readers develop a love of reading through book club participation. Author Stacy Brown, who has facilitated book clubs for more than twenty years, shows you how to build active engagement through hands-on activities, reflective discussions, and theme-related tips and tricks, even in the face of time and budget constraints. Learn how to attract participants, brand, and market your book clubs, and keep attendees returning for more. You'll be changing the world, one book club at a time. *Food Fight* Liam O'Donnell, 2010-04-01 While Devin and Nadia spend summer vacation at a university camp for little kids, Nadia as a counselor and Devin as an unwilling participant, their mother's research project is vandalized and her motives are questioned. Devin, Nadia, and Simon stumble upon shady characters, corporate conspiracy, and a plot to take over the nation's food supply with genetically modified fertilizer. **Willing's Press Guide**, 1931 A guide to the press of the United Kingdom and to the principal publications of Europe, Australia, the Far East, Gulf States, and the U.S.A.
