Efrosini Camatsos, Tassos A. Kaplanis, Jocelyn Pye, 2014-05-02 His Words were Nourishment and his Counsel Food A Festschrift for David W Holton brings together essays on Greek literature from medieval romances to postmodern fiction It provides an illuminating first insight into the variety of Modern Greek literature for the general reader while also catering to more specialised students and scholars with new research findings and close studies of individual texts The editors and authors all former doctoral students of Professor Holton at Cambridge conceived this volume as a thanksgiving present to him on the occasion of his retirement and as a collection which reflects the high quality and significance of Modern Greek studies at the University of Cambridge The essays explore themes ranging from the erotic gaze and nightingales to cannibalism and dictatorships Individual contributions discuss the relationship of Greek works with French and Persian medieval romances the Italian Renaissance and German expressionism and the influence of Shakespeare on the best known Modern Greek poet C P Cavafy Others explore the interrelation of architecture and literature in the Cretan Renaissance masterpiece Erotokritos the influence of religious texts on Roidis's Pope Joan and the assimilation of Byzantium into Greek historiography by intellectuals of Greek Romanticism On a more personal level the reader will learn about the experiences of a British Victorian woman translator in 1880s Athens and the friendship between George Seferis and Sir Steven Runciman Cretan cities figure in three essays which investigate the literary and historical context of the long Ottoman siege of Chandax in the seventeenth century and issues of identity in the modern day lives of Chania's Greek and Turkish inhabitants Shifting notions of identity are further explored in the contemporary Greek novels of an Albanian immigrant author His Words were Nourishment demonstrates the remarkable capacity of Greek literature to thrive within the context of cultural exchange and shifting historical boundaries

### **'England's darling'** Joanne Parker, 2017-10-03

During the last two decades numerous studies have been devoted to the Victorian fascination with King Arthur however the figure of King Alfred has received almost no attention For much of the nineteenth century Alfred was as important as Arthur in the British popular imagination A pervasive cult of the king developed which included the erection of at least four public statues the completion of more than twenty five paintings and the publication of over a hundred texts by authors ranging from Wordsworth to minor women

writers By 1852 J A Froude could describe Alfred s life as the favourite story in English nurseries in 1901 a national holiday marked the thousandth anniversary of his death organised by a committee including Edward Burne Jones Arthur Conan Doyle and Thomas Hughes England s darling sets out to answer the questions that must arise in the face of such nineteenth century enthusiasm for a long dead king It addresses a genuine gap in the literature on Victorian medievalism in particular and cultural history in general and argues that knowledge of the cult of Alfred is crucial to understanding the Victorian cultural map The book examines the ways in which Alfred was rewritten by nineteenth century authors and artists and asks how beliefs about the Saxon king s reign and achievements related to nineteenth century ideals about leadership law religion commerce education and the Empire The book concludes by addressing the most interesting enigma in Alfred s reception history why is the king no longer England s darling A fascinating study that will be enjoyed by scholars of history cultural history literature and art history
