Huntington: The Levi Holley Stone Collection John Witek and Deborah Novak, 2014 A flea market discovery that became an art museum sensation this collection of photographs by Levi Holley Stone presents the city of Huntington West Virginia as it has never been seen before Stone's lens reveals a city of contrasts a blend of broad boulevards and crumbling alleys a mix of monuments and mud It is a place where cars share the road with horses roughnecks loiter in pool halls and theatergoers enjoy extravagant musicals direct from Broadway Newcomers flocked to this commercial hub on the Ohio River and Stone's images of steamboats trains and motorcars show how they traveled He captured the river too when it was frozen enough to walk across and furious enough to drown the city more than once Stone was born in Huntington in 1898 and he photographed his hometown obsessively Even his closest friends never knew that the photographs they took for granted were sensitive works of art *Goldenseal* ,2014 Scientific American ,1870 **The Commercial Agency Register for July, 1878** ,1878 **Reference Book** Dun and Bradstreet, inc,1929 Issued in 3 sections covering the 50 states and the District of Columbia arranged alphabetically *Images of Huntington* Huntington Historical Society,1994* **The Huntington Art Collection** Henry E.
