MANUAL Floyd Clymer,2025-04 158 pages and profusely illustrated with more than 300 illustrations diagrams and charts
size 8 250 x 10 750 inches Originally published by Floyd Clymer in 1969 with coverage for the 250 360 and 400cc single
cylinder Motocross Enduro and Sportsman models from 1965 through the 1969 MG series However as both the 250cc and
400cc models remained in production through 1975 as the MH 1970 MI 1971 MJ 1972 and MK 1973 1975 series the original
Clymer manual provided coverage beyond its publication date and effectively included those models from 1965 through 1975
While this 2025 edition includes all of the data from the original publication it has also been expanded to include the 1972
and later 125cc and 450cc MJ and MK series Models covered by engine size year of manufacture are 125 cc 1972 1974 250
cc 1965 1975 360 cc 1966 1971 400 cc 1969 1975 450 cc 1972 1974 We encourage you to exercise caution when purchasing
technical publications for your classic motorcycle or automobile as many of the reprints found on internet websites are from
bedroom sellers at enticingly low prices by individuals that really have no idea what they are selling Many are nothing more
than poor quality digital or comb bound photocopies that are scanned or printed complete with greasy pages and
thumbprints and as such are deceptively described as pre owned used or even refurbished In addition they are often
advertised for the incorrect series and or model years However VelocePress com has been publishing reprints of motorcycle
and automobile manuals since 2003 and our publications have earned excellent reviews worldwide so you can be assured you
are purchasing a quality product **Workshop Manual Minx Series I to V, Husky Series I to III, Cob Series I to III.**
