**Hydrangea Macrophylla 'Nigra'**,1998      *World Economic Plants* John H. Wiersema,Blanca León,2016-04-19 Given the frequent movement of commercial plants outside their native location the consistent and standard use of plant names for proper identification and communication has become increasingly important This second edition of World Economic Plants A Standard Reference is a key tool in the maintenance of standards for the basic science underlyin

## **Introduction to Floriculture**

Roy A. Larson,2013-10-22 Introduction to Floriculture provides an introduction to commercial floriculture containing information on major and minor greenhouse and field crops and includes potted plants and cut flowers The book is organized into two parts Part I on cut flowers discusses the history and propagation of chrysanthemums carnations roses snapdragons orchids gladiolus and minor cut crops Part II on potted plants includes bulbous plants azaleas pot mums African violets poinsettias and Easter lilies This book was written for students who have been exposed to a sufficient number of biology courses to acquaint them with many of the terms and plant processes discussed in the text It would be beneficial if they have also taken a course in greenhouse management or are taking one concurrently with their floriculture course The book can be used by commercial growers who constantly seek more information to enable them to realize maximum gain from the investments of labor time and capitol they have placed in this challenging field
