Comprehensive English Prefix and Suffix List Part 2/4 □□□□□□□□□□□□□□□□ DAVID YAO, Many English words are formed by taking basic words and adding combinations of prefixes and suffixes to them. A basic word to which affixes prefixes and suffixes are added is called a root word because it forms the basis of a new word. The root words are mostly from Latin and Greek. This is very similar to Chinese language which contains Radical. Radicals normally give you some hints in meaning. By decoding the root words from Latin and Greek you will find most deep words such as biology and medical term are easier to remember. You can even sense out a new word meaning even it is new to you or it is even French, German or Italian. You will not be intimidated by English words on the opposite; you will enjoy the decoding approach as a fun way to expand your English vocabulary. *Cambridge IGCSE Chinese Foreign Language (0547-21) 2018 Intensive Revision PDF Book- A Quick Reference to past Exam Papers* DAVID YAO, 2020-06-02. Cambridge IGCSE is the world's most popular international qualification for 14 to 16 year old. It is recognized by leading universities and employers worldwide and is an international passport to progression and success. Developed over 25 years ago, it is tried, tested and trusted by schools worldwide. This syllabus is designed for learners who are learning Mandarin Chinese as a foreign language. The aim is to develop an ability to use the language effectively for purposes of practical communication. The course is based on the linked language skills of listening, reading, speaking and writing, and these are built on as learners progress through their studies. Cambridge IGCSE Chinese aims to offer insights into the culture and civilization of countries where Mandarin Chinese is spoken, encouraging positive attitudes towards language learning and towards speakers of foreign languages. **Decoding Greek and Latin roots in English (Part 3/4)** □□□□□□□□□□□□□□□□ DAVID YAO, Looking to expand your English vocabulary in a unique and smart way. Look no further than decoding Greek and Latin roots in English. These ancient roots form the gene of modern English vocabulary and by unlocking their meanings you can easily understand and remember even the most difficult words.

In this book I will explore how many English words are formed by combining prefixes and suffixes with basic root words which are mostly derived from Latin and Greek Similarly Chinese language also contains Radicals which provide hints to the word s meaning By understanding the root words we can decode new words and quickly grasp their meanings Whether you re a non native English speaker looking to improve your vocabulary or a native speaker wanting to expand your knowledge this book will provide you with the tools to do so Using my experience as a native Chinese speaker who learned English later in life I have developed unique strategies for understanding and remembering English words Through my work in data mining and creating a Chinese English vocabulary database I have discovered nearly one million entries that enable me to identify vocabulary with the same root The List of Greek and Latin roots in English provided by resources such as Wikipedia have also been invaluable in my research In this book I will provide a comprehensive alphabetical list of prefixes and suffixes with a special focus on those used in medical terminology By understanding the meanings of these roots you will be able to easily remember difficult medical terms and other complex vocabulary In summary decoding Greek and Latin roots in English is a smart and unique way to expand your English vocabulary With the tools and strategies provided in this book you ll be well on your way to mastering even the most challenging words
