

PAPER 4 - CLASS ASSIGNMENT
IGCSE YEAR 2

Read carefully the following extract from a short story. Before this extract, Walter Henderson, an office worker in New York, has been worried that he might lose his job. His boss, George Crowell, calls him into his office.

How does the writer make this moment so memorable for you?

To help you answer this question, you might consider:

- how the writer builds tension between Walter and Crowell
- how he describes Walter's return to his desk
- how he strikingly reveals Walter's feelings.

"Pull up a chair, Walt," he said. "Smoke?"

"No thanks." Walter sat down and laced his fingers tight between his knees.

Crowell shut the cigarette box without taking one for himself, pushed it aside and leaned forward, both hands spread flat on the plate-glass top of the desk. "Walt, I might as well give you this straight from the shoulder," he said, and the last shred of hope slipped away. The funny part was that it came as a shock, even so. "Mr. Harvey and I have felt for some time that you haven't quite caught on to the work here, and we've both very reluctantly come to the conclusion that the best thing to do, in your own best interests as well as ours, is to let you go. Now," he added quickly, "this is no reflection on you personally, Walt. We do a highly specialized kind of work here and we can't expect everybody to stay on top of the job. In your case particularly, we really feel you'd be happier in some organization better suited to your—abilities."

Crowell leaned back, and when he raised his hands their moisture left two gray, perfect prints on the glass, like the hands of a skeleton. Walter stared at them, fascinated, while they shriveled and disappeared.

"Well," he said, and looked up. "You put that very nicely, George. Thanks."

Crowell's lips worked into an apologetic, regular guy's smile. "Awfully sorry," he said. "These things just happen." And he began to fumble with the knobs of his desk drawers, visibly relieved that the worst was over. "Now," he said, "we've made out a check here covering your salary through the end of next month. That'll give you something in the way of— severance pay, so to speak—to tide you over until you find something." He held out a long envelope.

"That's very generous," Walter said. Then there was a silence, and Walter realized it was up to him to break it. He got to his feet. "All right, George. I won't keep you."
