Igniting Steel Koreas Posco Lights The Way:

Igniting Steel Joseph J. Innace, Abby Dress, 1992-01-01 The POSCO Strategy William Thomas Hogan, 2001-01-01 The POSCO Strategy brings to life one of the world's great industrial success stories Expertly told by William T Hogan an accomplished commentator on the global steel industry the work traces the meteoric rise of South Korea's Pohang Iron and Steel Company and the incredible impact it has had on this small agrarian country In a mere quarter of a century POSCO has grown to become the largest steel company in the world and has dragged South Korea into the industrial age The book not only provides a blueprint for the world's steel industry but offers an incredible case study to students of modern Asian economic history seeking to understand how a non industrialized economy can be so dramatically modernized by the development of a single industry The Global Restructuring of the Steel Industry Anthony D'Costa, 1999-01-28 Drawing upon case studies of the steel industry in the US Japan South Korea Brazil and India this book explains how and why the steel industry has shifted from advanced capitalist countries to late industrializing countries Anthony P D Costa examines the relationship between industrial change and institutional responses to technological diffu The Park Chung Hee Era Byung-Kook Kim, Ezra F. Vogel, 2013-03-11 In 1961 South Korea was mired in poverty By 1979 it had a powerful industrial economy and a vibrant civil society that led to democracy eight years later This volume examines the transformation as a study in the politics of modernization contextualizing many historical ambiguities in South Korea's trajectory toward sustainable economic growth **Steel in the 21st Century** William Thomas Hogan, 1994-01-01 Sources for this book consist principally of interviews with top management steel personnel on a global basis as well as information drawn from the American Iron and Steel Institute the International Iron and Steel Institute the Japan Iron and Steel Federation Metal Bulletin and American Metal Market DLC Steel industry and trade Forecasting **The Rise, Fall, and Replacement of Industrywide Bargaining in the Basic Steel Industry**, 1997 Drums of War, Drums of Development: The Formation of a Pacific Ruling Class and Industrial Transformation in East and Southeast Asia, 1945-1980 Jim Glassman, 2018-08-13 In *Drums of War Drums of Development* Jim Glassman analyses the geopolitical economy of industrial development in East and Southeast Asia during the Vietnam War era showing how it was shaped by the collaborative planning of US and Asian elites Challenging both neo liberal and neo Weberian accounts of East Asian development Glassman offers evidence that the growth of industry the East Asian miracle was deeply affected by the geopolitics of war and military spending the East Asian massacres Thus while Asian industrial development has been presented as providing models for emulation Glassman cautions that this industrial dynamism was a product of Pacific ruling class manoeuvring which left a contradictory legacy of rapid growth death and ongoing challenges for development and democracy Shortlisted for the 2019 Deutscher Memorial Prize *Beyond the Developmental State* Ben Fine, Jyoti Saraswati, Daniela Tavasci, 2013-05-10 Moving beyond abstract economic models and superficial descriptions of the market *Beyond the Developmental State* analyses the economic political and

ideological interests which underpin current socio economic processes Through this approach the contributors show the close interrelation between states and markets in both national and international contexts Drawing on a wide range of case studies and themes the book exposes the theoretical and empirical limitations of the developmental state paradigm offering alternatives as well as discussing the policy implications and challenges they raise For scholars students and practitioners of development Beyond the Developmental State presents a decisive break with the old dogmas of both neoliberal orthodoxy and theories of market imperfection and outlines theoretically and empirically grounded alternatives Strategic Thinking Frederick Betz,2016-01-08 The purpose of proper strategic thinking is to eliminate top down only communication that leads to the wishful thinking way of organizational strategy Strategic thinking is necessary at every level of an organization This book uses actual histories of business successes and failures to illustrate theoretical concepts in strategic thinking **Credit Policies and the Industrialization of Korea** Yoon-Je Cho,Joon-Kyung Kim,1995-01-01 World Bank Discussion Paper No 286 This report was commissioned as part of a project on the effectiveness of credit policies in East Asian countries In the Republic of Korea the government has played a pervasive role in promoting industrializati *Collective Action in East Asia* Gregory W. Noble,2018-09-05 As one Asian economic crisis follows another sending shock waves through the global market questions about the making and conduct of industrial policy in the East take on a special urgency Observers are sharply divided as to whether the ubiquitous attempts at cooperation among competing firms in Asia have been a key to competitiveness or a corrosive form of collusion This timely book offers a close look at the impact of industrial policies on collective action in East Asia in Japan and Taiwan and more briefly in South Korea Systematically comparative and based on interviews and original research in the local languages it focuses on forms of collective action such as cartels standardization and research and development consortia in the consumer electronics and minimill steel industries The book combines detailed case studies with analyses of the political bureaucratic and industrial environments in which policy is crafted It also considers how these environments have evolved in the past decade as long ruling conservative parties have been challenged in all three countries Among the book s findings is a surprising disparity between the ways in which Japan and Taiwan have handled collective action policy despite their many historical demographic and economic similarities Collective Action in East Asia also brings to light unexpected inconsistencies in the effectiveness of Japanese policy which frequently succeeds with R D consortia but struggles with cartels Studying both the rapid growth period of the 1980s and the more recent economic slowdown in East Asia this book provides crucial information for an understanding of today s global economy Korean Dynasty Donald Kirk,2016-09-16 This study focuses on a single Korean chaebol the business conglomerate which dominates the Korean economy Hyundai the largest chaebol is examined in the context of Korean history ancient and modern and the Confucian value system that permeates all Korean life **Routledge Handbook of Korean Business and Management** Chris Rowley,Johngseok Bae,Hicheon Kim,Heechun Kim,2025-02-20 This Handbook authored by a stellar line up of

international contributors explores the diverse phenomena and issues surrounding the Korean business and management world Offering insights into trends challenges policies and initiatives of corporations and government and providing a nuanced portrayal of Korean business dynamics the Handbook s approach is centred around four key themes Examining the roles played by the government and markets including labour and financial markets in Korea s economic progression Addressing macro and micro issues in Korean business and management such as business groups business government relationships corporate governance corporate strategy and globalization human resource management employment relations and chief executive officer CEO compensation Scrutinizing current phenomena by bridging the past and future exploring mainstream and emerging business issues such as corporate social responsibility environmental social and governance issues start up businesses diversity and inclusion and the impact of the Fourth Industrial Revolution Emphasizing the interplay between agents structures and institutions Delving into the intricacies of business and management in a Korean context this Handbook will be a valuable resource to students and scholars of international business and management with a particular focus on Asia and Korea
